RECONSTRUCTION AND CONDITIONAL SALE AGREEMENT dated as of March 25, 1981, among FIRST SECURITY BANK OF UTAH, N.A., a national banking association, not in its individual capacity but solely as Agent (the "Vendor") under a Participation Agreement dated as of the date hereof (the "Participation Agreement"), SEABOARD COAST LINE RAILROAD COMPANY, a Virginia corporation (the "Builder") and FIRST SECURITY STATE BANK, a Utah banking corporation, not in its individual capacity but solely as trustee (the "Vendee") under a Trust Agreement dated as of the date hereof (the "Trust Agreement") with LITTON INDUSTRIES CREDIT CORP. (the "Owner").

The Vendee proposes to acquire all right, title and interest in certain railroad equipment (the "Hulks") from the Builder pursuant to a Hulk Purchase Agreement (the "Hulk Purchase Agreement") in substantially the form of Exhibit D hereto, and pursuant to the Transfer Agreement (as hereinafter defined) will transfer security title of the same to the Vendor for the purpose of reconstructing the Hulks (the Hulks as reconstructed as described in Schedule A hereto, upon delivery, acceptance and settlement under the Agreement, being hereinafter called the "Equipment").

The Vendor will acquire security title to the Hulks pursuant to a Transfer Agreement (the "Transfer Agreement") in substantially the form of Exhibit A hereto, for the purpose of causing the same to be reconstructed as described herein and will thereupon sell such security title to the Vendee and the Vendee hereby agrees to purchase such security title in accordance with the terms of this Agreement. The Vendor's security title in any Hulk acquired pursuant to the Transfer Agreement shall not, prior to completion of reconstruction of such Hulk and settlement therefor pursuant hereto, be deemed to be collateral for the Vendee's obligations hereunder or for the Lessee's obligations under the Lease.

The Vendee will deliver the Hulks to the Builder and the Vendee will have the Builder reconstruct the Hulks in accordance with the Vendee's specifications and as required hereby to enable delivery of the Equipment to be made to the Vendee in accordance herewith.

The Vendee and the Builder, in its capacity as a railroad (the "Lessee"), are entering into a Lease of Railroad Equipment (the "Lease") in substantially the form of Exhibit B hereto, pursuant to which the Vendee is leasing the Equipment to the Lessee, subject to this Agreement, and the Vendee is assigning for security purposes its rights in, to and under the Lease to the Vendor pursuant to an Assignment of Lease and Agreement (the "Lease Assignment") in substantially the form of Exhibit C hereto. The rights acquired by the Vendor pursuant to this Agreement shall be and are acquired for the benefit of the Investors identified in the Participation Agreement for whom the Vendor is acting as Agent pursuant to the terms of such Participation Agreement.

In consideration of the agreements hereinafter set forth, the parties hereto do hereby agree as follows:

ARTICLE 1. Reconstruction and Sale. The Vendee will deliver the Hulks to the Builder immediately after the purchase thereof under the Hulk Purchase Agreement. Pursuant to this Agreement, the Builder will reconstruct the Hulks into the Equipment as described in Schedule A hereto and will deliver the Equipment to the Vendee on behalf of the Vendor and the Vendee will accept delivery of and pay for the Equipment as hereinafter provided, each unit of which shall be standard gauge railroad equipment reconstructed in accordance with the Vendee's specifications referred to in Schedule A hereto and in accordance with such modifications thereof as may be authorized by the Vendee (which specifications and modifications, if any, are by reference made a part of this Agreement as fully as though expressly set forth herein and are hereinafter called the "Specifications"). The Builder warrants to the Vendor and the Vendee that the design, quality and component parts of the Equipment will conform, on the date of delivery of each thereof, to the Specifications and to all Department of Transportation and Interstate Commerce Commission requirements and specifications, and to all standards recommended by the Association of American Railroads reasonably interpreted as being applicable to railroad equipment of the character of the Equipment as of the date of such delivery.

ARTICLE 2. Inspection and Delivery. The Builder will deliver the units of the Equipment, on behalf of the Vendor, to the Vendee at such point or points within the United States of America specified in Schedule A hereto on or prior to the Cut-Off Date (as hereinafter defined), freight charges, if any, prepaid; provided, however, that delivery of any unit of the Equipment shall not be made until this Agreement, the Transfer Agreement, the Lease and the Lease Assignment have been filed pursuant to 49 U.S.C. § 11303. The Builder agrees not to tender for sale any Hulk under the Hulk Purchase Agreement or to commence any reconstruction of any Hulk if the Builder (A) does not reasonably anticipate that such Hulk will be fully reconstructed within 90 days following such commencement of reconstruction, and in any event prior to July 31, 1981, (B) has received written notice from the Owner, the Vendee or the Vendor (a) of the occurrence of any event of default as defined in Article 11 hereof or any event (including the commencement of any proceeding or the filing of any petition of the nature specified in subparagraphs (c) and (d) of Article 11 hereof) which, with lapse of time, failure to take affirmative action and/or demand, could constitute an event of default hereunder shall have occurred, (b) that any of the conditions contained in Paragraph 6 or 7 of the Participation Agreement have not been met or waived or (c) that the Vendee is no longer obligated under the terms of the Hulk Purchase Agreement to accept delivery of and to pay for any additional Hulks thereunder for any of the reasons therein provided or (d) has received written notice from the Lessee, the Vendor, the Owner or the Vendee that there has been a material adverse change in the business, operations or the financial condition of the Lessee from that which existed on December 31, 1980; or (C) the Purchase Price (as defined in Article 3 hereof) of such Hulk when reconstructed, when added to the aggregate Purchase Price when reconstructed of all other Hulks which previously have been validly accepted under the Hulk Purchase Agreement, would exceed the Maximum Purchase Price (as defined in Article 3 hereof).

During reconstruction, including, without limitation, all phases of fabrication and assembly, the Hulks, all

materials used in the reconstruction of the Equipment and all work thereon shall be subject to inspection and approval by the Vendee; provided, however, that any inspection or failure to inspect by the Vendee shall not affect any of its rights hereunder. The Builder shall grant to the authorized inspectors of the Vendee access to all portions of its plant where Hulks are being reconstructed and shall furnish the Vendee with semimonthly reports concerning the progress of the reconstruction. Upon completion of each unit or of a number of units of the Equipment, the authorized inspector of the Vendee shall inspect such unit or units at the place specified for delivery of such unit or units, and if each such unit conforms to the specifications, requirements and standards applicable thereto, such authorized inspector of the Vendee (who may be an employee of the Lessee) shall execute and deliver to the Builder a certificate of acceptance (a "Certificate of Acceptance") stating that such unit or units have been inspected and accepted on behalf of the Vendee and are marked in accordance with Article 8 hereof; provided, however, that the Builder shall not thereby be relieved of its warranties set forth or referred to in Article 9 hereof.

ARTICLE 3. Purchase Price and Payment. The cost of the Hulks (the "Hulk Purchase Price") and the estimated base reconstruction cost per unit of the Equipment are set forth in Schedule A hereto. The term "Reconstruction Cost" as used herein shall mean the base reconstruction cost per unit set forth in Schedule A hereto, as increased or decreased by agreement among the Builder, the Vendor and the Vendee, but the aggregate Reconstruction Cost shall in no event exceed the lesser of (i) the actual cost to the Builder of doing the reconstruction work plus a reasonable overhead and profit factor or (ii) \$2,880,000 in the aggregate. The term "Purchase Price" as used herein means the sum of the Hulk Purchase Price and the Reconstruction Cost and the "Maximum Purchase Price" shall be \$3,568,000.

For the purpose of settlement therefor, the Equipment shall be divided into groups of units of the Equipment with each group (other than the last group) having a Purchase Price of at least \$1,000,000, unless the Vendee, the Vendor and the Builder shall otherwise agree (each such group being hereinafter called a "Group"). The term "Closing Date" with respect to any Group shall mean such date, not later than January 31,

1982 (the "Cut-Off Date"), occurring not more than ten business days following presentation by the Builder to the Vendee of the invoice (addressed to the Vendor and approved as to price by the Vendee) and the Certificate or Certificates of Acceptance for such Group, as shall be fixed by the Builder by written notice delivered to the Vendee and the Vendor at least three business days prior to the Closing Date designated therein. The parties hereto will, so far as is practicable, attempt to comply with the schedule of estimated Closing Dates set forth in Schedule B hereto. The term "business days" as used herein means calendar days, excluding Saturdays, Sundays, holidays and any other day on which banking institutions in Stamford, Connecticut, Jacksonville, Florida, Salt Lake City, Utah or New York, New York, are authorized to remain closed.

The Vendee hereby acknowledges itself to be indebted to the Vendor in the amount of, and hereby promises to pay (and the Builder is hereby constituted a third party beneficiary of such obligation) in immediately available funds to the Vendor at such place as the Vendor may designate, the Purchase Price of each Group of the Equipment, as follows:

(a) in 30 semiannual installments, as hereinafter provided, an amount (the "CSA Indebtedness") equal to 67.85% (or, in the event of a Tax Change (as hereinafter defined) such lesser amount as is determined pursuant to the fifth paragraph of this Article 3) of the aggregate of the Purchase Prices of the units of the Equipment in the Group for which settlement is then being made as set forth in the Invoice or Invoices therefor (the "Invoiced Purchase Prices"); and

(b) on the Closing Date with respect to each Group an amount (the "Down Payment") equal to the aggregate Purchase Price of such Group, less the amount payable pursuant to subparagraph (a) of this paragraph; provided, however, that the Vendee shall not be required to make such payment until there shall have been delivered to the Vendor on or prior to such date the documents required to be delivered

thereto pursuant to the ninth paragraph of this Article 3.

The installments of the CSA Indebtedness shall be payable on each February 1 and August 1 commencing February 1, 1982, to and including August 1, 1996, or, if any such date is not a business day, on the next succeeding business day (each such date being hereinafter called a "Payment Date"). The unpaid balance of the CSA Indebtedness shall bear interest from the Closing Date upon which such CSA Indebtedness was incurred through September 30, 1982, at the prime rate (floating) charged by First National Bank of Minneapolis (the "Bank") with each change in the Bank's prime rate taking effect as of the opening of business on the date of such change; and thereafter the rate for each week shall be the higher of (i) 3% above the average prime rate for the preceding week charged by the Bank to be calculated on October 1, 1982, and thereafter at the end of each week, or (ii) 4% above the 90-day secondary certificate of deposit rate, as published weekly by the New York Federal Reserve Bank to be determined on October 1, 1982, and thereafter during each week (all of the above rates, including the higher rate after September 30, 1982, together the "Original Rate"). Such interest shall be payable, to the extent accrued, on August 1, 1981, and on each Payment Date. The installments of principal payable on each Payment Date shall be calculated as set forth in Schedule I hereto and the aggregate of such installments of principal will completely amortize the CSA Indebtedness. Promptly following the earlier of the last Closing Date or the Cut-Off Date, the Vendee will furnish to the Vendor and the Lessee a payment schedule showing the amount of principal payable on each Payment Date.

In the event that by reason of an amendment to the Internal Revenue Code of 1954, as amended, which is enacted and effective prior to August 1, 1981 ("Tax Change"), there is a material increase in the Owner's after-tax return on and rate of recovery of investment and annual net cash flows from that which the Owner would have realized on its aggregate investment in the Trust Estate had such amendment not been adopted, then (subject to the satisfaction of the conditions set forth in this paragraph), the Vendee shall (i) prior to the last Closing Date, increase its Down Payment up to but not exceeding 40% of the aggregate Purchase Price and/or (ii) before the last Closing Date (if the increase in Down Payment is not sufficient for purposes

of this paragraph) and after the last Closing Date promptly prepay a portion of the principal amount of the CSA Indebtedness (without premium) with interest accrued to the prepayment date (provided, however, that such increase in Down Payment and such prepayment of CSA Indebtedness together shall not result in the Vendee supplying more than 40% of the aggregate Purchase Price) in order that the rentals and Casualty Value percentages payable under the Lease may be adjusted so as to provide the Owner with substantially the same (but not less) net after-tax return on and rate of recovery of investment and annual net cash flows which the Owner would have received on its aggregate investment in the Trust Estate had such amendment not been adopted (computed on the same assumptions, including, without limitation, tax rates, as were utilized by the Owner in establishing the Lease rentals and Casualty Value percentages when it approved transactions contemplated by the Participation Agreement), provided, that the Owner shall preserve the earnings theretofor booked by the Owner. The amount of such additional Down Payment and the amount of such adjustment in rentals and Casualty Values shall be determined by the Owner, which determination shall be binding upon the parties hereto if the Owner shall certify in writing to them that such amounts were determined by the Owner in good faith compliance with the provisions of this paragraph. In the event that the Vendee prepays a portion of the CSA Indebtedness, the Vendee will promptly furnish to the Vendor and the Lessee a revised schedule of payments of principal and interest thereafter to be made in respect of the then remaining CSA Indebtedness in such number of counterparts as the Vendor may request. The restructuring of the debt-equity ratio pursuant to this paragraph shall be subject to the satisfaction of the following conditions:

(i) payment in full of all other amounts then due and owing under this Agreement and the other Documents (as defined in the Participation Agreement);

(ii) no event of default under this Agreement or Event of Default under the Lease or event which with notice or lapse of time or both would constitute any such event of default or Event of Default shall have occurred and be continuing;

(iii) such restructuring, all action taken pursuant to or to effect such restructuring, and the terms of any amendments to this Agreement, and of any other Document or instrument required in connection with such restructuring, shall not, individually or in the aggre-

gate, in the reasonable opinion of such party, materially adversely affect such party or the interests of such party acquired pursuant to the Documents and the transactions contemplated thereby and shall not, in the opinion of the Owner, cause or result in any adverse tax consequence to it;

(iv) the rentals payable under the Lease (including both the Fixed Rental Amount and the Variable Rental Amount) and the Casualty Values (as such terms are defined in the Lease) shall be adjusted to such respective amounts as, taking into account the remaining semiannual rental payment dates, will be sufficient to pay the principal of and interest on the CSA Indebtedness;

(v) each such party shall have received such opinions of counsel (including, without limitation, as to tax matters), certificates and other documents as it may reasonably request, each in form and substance satisfactory to such party;

(vi) all necessary authorizations, approvals and consents shall have been obtained;

(vii) the Lessee shall have provided or agreed to provide to the Vendee as supplemental rent under the Lease, sufficient funds to pay the costs and expenses referred to in the following sentence; and

(viii) the Tax Indemnity Agreement (as defined in the Participation Agreement) shall be modified to indemnify the Owner for any loss of benefits which are claimed by the Owner as a result of the Tax Change.

The Vendee shall pay, from funds supplied to it by the Lessee, all costs and expenses of each party to the Participation Agreement, including the reasonable fees and expenses of their respective counsel, incurred in connection with such restructuring.

Interest under this Agreement shall be determined on the basis of a 360-day year of 12 30-day months, except that interest due on August 1, 1981, shall be calculated on an actual elapsed day, 365-day year, basis.

The Vendee will pay interest at the rate of 1% over the Original Rate per annum, to the extent legally enforceable, upon all amounts remaining unpaid after the same shall have become due and payable pursuant to the

terms hereof, anything herein to the contrary notwithstanding (the "Penalty Rate").

All payments provided for in this Agreement shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts and shall be made by bank wire transfer of Federal or other funds immediately available at, and not later than, 10:00 a.m. Utah time. The Vendee shall not have the privilege of prepaying any portion of the CSA Indebtedness prior to the date it becomes due; provided, however, that the CSA Indebtedness may be prepaid as provided for in the fifth paragraph of this Article 3, in clause (i) of the first paragraph of Article 11 and in Article 5 hereof.

On the Closing Date with respect to each Group, an amount equal to the Invoiced Purchase Prices of such Group shall be paid in immediately available funds by the Vendor to the Builder (in its capacity as Builder hereunder and in its capacity as Seller under the Hulk Purchase Agreement) from (y) the amounts available to the Vendor under and pursuant to the terms of the Participation Agreement to make payments on such Closing Date in amounts equal to the CSA Indebtedness and (z) the Down Payment payable by the Vendee pursuant to clause (b) of the third paragraph of this Article 3; provided that there shall have been delivered to the Vendor the following documents (in addition to copies of the documents referred to in the fifth paragraph of the Hulk Purchase Agreement), in form and substance satisfactory to it and its special counsel:

(a) the Certificate or Certificates of Acceptance contemplated by Article 2 hereof and Section 1 of the Lease with respect to the Equipment in such Group;

(b) invoices of the Builder for the reconstruction of the Equipment in the Group and invoices of the Builder (in its capacity as Seller under the Hulk Purchase Agreement) for the Hulks, accompanied by, or having endorsed on such invoices or copies thereof the approval of the Vendee of the price stated therein and a certification by the Builder that the Invoiced Purchase Prices have been calculated as provided in

the first paragraph of this Article 3 and do not exceed the prices that would be charged by an independent car builder for comparable equipment;

(c) a favorable opinion of counsel for the Builder, dated as of such Closing Date, stating that at the time of delivery of the units of the Equipment in such Group on behalf of the Vendor to the Vendee hereunder, title to such Equipment was free of all claims, liens, security interests and other encumbrances of the Builder or of anyone claiming through the Builder; and

(d) a favorable opinion of counsel for the Builder dated as of such Closing Date, stating that title to the Hulks from which such Equipment in such Group were reconstructed was vested, at the time of delivery under the Hulk Purchase Agreement, in the Vendee and was free of all claims, liens, security interests and other encumbrances of any nature whatsoever except for those arising under this Agreement or the Exhibits hereto, together with a favorable opinion of Messrs. Wilmer, Cutler & Pickering addressed to the Vendor, the Vendee and the Owner regarding their search of the Interstate Commerce Commission files in respect of the Hulks and the Equipment.

The obligation of the Vendor to make payment for the Equipment is expressly conditioned on the Vendee having made the Down Payment to the Vendor required by subparagraph (b) of the third paragraph of this Article 3. Notwithstanding anything to the contrary herein expressed or implied, the parties hereto agree that the Vendor shall have no obligation with respect to the reconstruction of the Hulks and delivery of the Equipment hereunder to the Vendee.

Notwithstanding any other provision of this Agreement (including, but not limited to, any provision of Articles 11 and 12 hereof), but not limiting the effect of Article 18 hereof, the Vendor agrees that the liability of the Vendee or any assignee of the Vendee for all payments to be made by it under this Agreement, with the exception only of the payments to be made pursuant to subparagraph (b) of the third paragraph of Article 3, the interest payment due on August 1, 1981 (which shall be payable out of funds furnished by the Owner pursuant to Section

1.03 of the Trust Agreement), and the obligations set forth in Paragraph 18B of the Participation Agreement, shall not exceed an amount equal to, and shall be payable only out of, the "income and proceeds from the Equipment". As used herein, the term "income and proceeds from the Equipment" shall mean (i) if one of the events of default specified in Article 11 hereof shall have occurred and while it shall be continuing, so much of the following amounts as are indefeasibly received by the Vendee at any time after any such event and during the continuance thereof: (a) all amounts of rental and amounts in respect of Casualty Occurrences (as defined in Article 5 hereof) paid for or with respect to the Equipment pursuant to the Lease and any and all other payments received under Section 9 or any other provision of the Lease and (b) any and all payments or proceeds received by the Vendee under the Lease or received by the Vendee for or with respect to the Equipment as the result of the sale, lease or other disposition thereof and after deducting all costs and expenses of such sale, lease or other disposition and (ii) at any other time only that portion of the amounts referred to in the foregoing clauses (a) and (b) as are indefeasibly received by the Vendee and as shall be required to discharge (A) the portion of the CSA Indebtedness (including prepayments thereof required in respect of Casualty Occurrences) and/or interest thereon due and payable on the date such amounts were required to be paid pursuant to the Lease, (B) any other payments then due and payable under this Agreement and (C) any of the obligations of the Vendee under this Agreement, the Owner and the Vendee under the Participation Agreement or the Lessee under the Lease to which the Vendor is entitled to apply Payments (as defined in Paragraph 1 of the Lease Assignment) under the Lease Assignment, it being understood that "income and proceeds from the Equipment" shall in no event include Excluded Payments (as defined in Paragraph 1 of the Lease Assignment). Notwithstanding anything to the contrary contained in Articles 11 and 12 hereof, the Vendor agrees that in the event it shall obtain a judgment against the Vendee for an amount in excess of the amounts payable by the Vendee pursuant to the limitations set forth in this paragraph, it will, accordingly, limit its execution of such judgment against the Vendee to amounts payable pursuant to the limitations set forth in this paragraph. It is further agreed by the parties hereto that nothing contained herein limiting the liability of the Vendee shall derogate from the right of the Vendor to proceed against the Equipment as provided for herein for the full unpaid Purchase Price of the Equipment and interest thereon

and all other payments and obligations hereunder or to proceed against the Lessee under the Lease or the Consent.

ARTICLE 4. Security Title to the Hulks; Security Interest in the Equipment. Pursuant to the Transfer Agreement, the Vendor has security title to the Hulks delivered to the Builder hereunder for reconstruction and shall continue to retain such security title (subject to the provisions of the Transfer Agreement) during the entire period that the Hulks are being reconstructed. Upon reconstruction of the Hulks and delivery, acceptance and settlement for the related Equipment pursuant hereto, the Vendor shall and hereby does retain a security interest in the Equipment until (i) the Vendee shall have made all its payments under this Agreement in respect of the Equipment and the Vendee and the Owner shall have made all their respective payments under the Participation Agreement and shall have kept and performed all their respective agreements herein and therein contained, notwithstanding any provision of this Agreement limiting the liability of the Vendee or the Owner and notwithstanding the delivery of the Equipment to and the possession and use thereof by the Vendee and the Lessee as provided in this Agreement and the Lease, and (ii) the Lessee shall have satisfied all its obligations to the Vendor and any Investor under any provision of the Lease. Notwithstanding the Vendor's retention of security title to the Hulks during the reconstruction period, the Vendor shall not have a security interest in any reconstructed Hulks which are not delivered, accepted and settled for pursuant hereto. Any and all additions, modifications and improvements to the Hulks and the Equipment, and any and all parts installed on and additions and replacements made to any unit of the Hulks prior to their delivery and acceptance hereunder, shall constitute accessions thereto and shall be subject to all the terms and conditions of this Agreement and included in the terms "Hulk" or "Equipment", as the case may be, as used in this Agreement, except for any additions, modifications and improvements which, under the provisions of Section 8 of the Lease, are owned by the Lessee.

Except as otherwise specifically provided in Article 5 hereof, when and only when the Vendor shall have been paid the full CSA Indebtedness, together with interest and all other payments as herein provided, and all the Vendee's obligations herein contained and all the Lessee's obligations to the Vendor and the Investors contained in the Lease shall have been performed, all rights and

interests of the Vendor in the Equipment shall be released and discharged to the Vendee without further transfer or action on the part of the Vendor. However, the Vendor, if so requested by the Vendee at that time, will (a) execute and deliver to the Vendee documents covering the Equipment releasing its security interest therein to the Vendee, free of all claims, rights, liens, security interests and other encumbrances created or retained hereby and (b) execute and deliver to the Vendee for filing, recording or depositing in all necessary public offices, such instrument or instruments in writing as may be necessary or appropriate in order then to make clear upon the public records the title of the Vendee to such Equipment. The Vendee hereby waives and releases any and all rights, existing or that may be acquired, in or to the payment of any penalty, forfeit or damages for failure to execute and deliver such release documents or instrument or instruments or to file any such certificate of payment in compliance with any law or statute requiring the filing of the same, except for failure to execute and deliver such release documents or instrument or instruments or to file such certificate within a reasonable time after written demand by the Vendee.

ARTICLE 5. Casualty Occurrences. In the event that any unit of the Equipment shall suffer a Casualty Occurrence (as defined in Section 6 of the Lease), the Vendee shall, within 30 days after it shall have actual knowledge in its Corporate Trust Department that such unit has suffered a Casualty Occurrence, cause the Vendor to be fully informed in regard thereto. Notwithstanding any such Casualty Occurrence, the Vendee shall continue making payment of all installments of principal and interest in respect of such unit until the next succeeding date for the payment of interest on the CSA Indebtedness (a "Casualty Payment Date"). On such date the Vendee shall pay to the Vendor a sum equal to the Casualty Value (as hereinafter defined) of such unit suffering a Casualty Occurrence as of the date of such payment and shall file, or cause to be filed, with the Vendor a certificate setting forth the Casualty Value of such unit. Any money paid to the Vendor pursuant to this paragraph shall be applied on the date that such Casualty Value is paid (after the payment of the interest and principal due on such date) to prepay without penalty or premium the unpaid balance of the CSA Indebtedness with respect to such unit or units (in the manner provided in the second paragraph of Paragraph 10 of the Participation Agreement), and the Vendee will promptly furnish to the Vendor and the Lessee a revised

schedule of payments of principal and interest thereafter to be made in respect of the remaining units in such number of counterparts as the Vendor may request.

Upon payment by the Vendee to the Vendor of the Casualty Value of any unit of the Equipment having suffered a Casualty Occurrence, all rights and interests of the Vendor in such unit shall be released and discharged, without further transfer or action on the part of the Vendor, except that the Vendor, if requested by the Vendee, will execute and deliver to the Vendee, at the expense of the Vendee, an appropriate instrument, confirming such release and discharge of all the Vendor's right and interest, and the release of the Vendor's security interest, in such unit, in recordable form, in order that the Vendee may make clear upon the public records the title of the Vendee to such unit.

The Casualty Value of each unit of the Equipment suffering a Casualty Occurrence shall be deemed to be that portion of the original CSA Indebtedness with respect to such unit remaining unpaid on the date as of which such Casualty Value shall be determined (without giving effect to any prepayment or prepayments theretofore made under this Article with respect to any other unit of Equipment), plus interest accrued thereon but unpaid as of such date. For the purpose of this paragraph, each payment of CSA Indebtedness in respect of Equipment made pursuant to Article 3 hereof shall be deemed to be a payment on each unit of the Equipment in like proportion as the original Purchase Price of such unit bears to the aggregate original Purchase Price of all the units of Equipment.

If the Vendor shall receive any insurance proceeds or condemnation payments in respect of such units suffering a Casualty Occurrence, the Vendor shall, subject to the Vendor having received payment of the Casualty Value hereunder, pay such insurance proceeds or condemnation payments to the Vendee. All insurance proceeds or condemnation payments received by the Vendor in respect of any unit or units of Equipment not suffering a Casualty Occurrence shall be paid to the Vendee upon proof satisfactory to the Vendor that any damage to such unit in respect of which such proceeds were paid has been fully repaired.

ARTICLE 6. Inspections. The Vendor shall have the right, by its agents, to inspect the Equipment and the Vendee's and Lessee's records with respect thereto at such reasonable times as the Vendor may request during the continuance of this Agreement.

ARTICLE 7. Possession and Use. The Vendee, so long as an event of default shall not have occurred and be continuing under this Agreement, shall be entitled, from and after delivery of the Equipment to the Vendee, to the possession of the Equipment and the use thereof, but only upon and subject to all the terms and conditions of this Agreement and the Lease.

The parties hereto acknowledge that the Vendee simultaneously herewith is leasing the Equipment to the Lessee as provided in the Lease, and the rights of the Lessee and its permitted assigns under the Lease shall be subordinate and junior in rank to the rights, and shall be subject to the remedies, of the Vendor under this Agreement. The Vendee shall have no right to lease or sublease the Equipment other than the Lease to the Lessee.

ARTICLE 8. Prohibition Against Liens. The Vendee agrees that if either the Owner or the Vendee fails to comply with their respective obligations to discharge liens, encumbrances or other security interests on the Trust Estate pursuant to Paragraphs 18A and 18B of the Participation Agreement that those sums due pursuant to such obligations shall be secured by the Trust Estate.

ARTICLE 9. Indemnities and Warranties. The Vendee will not be released from its obligations hereunder in the event of any damage to, or the destruction or loss of, any unit of or all the Equipment.

THE VENDOR MAKES NO WARRANTIES WHETHER WRITTEN, ORAL, STATUTORY OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE HULKS OR THE EQUIPMENT OR IN CONNECTION WITH THIS AGREEMENT OR THE DELIVERY OF THE EQUIPMENT AND SALE OF SECURITY TITLE HEREUNDER.

The Builder warrants that the Hulks will be reconstructed in accordance with the Specifications and standards set forth or referred to in Article 1 hereof and warrants that the Equipment will be free from defects in

material or workmanship or design under normal use and service. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, WITH RESPECT TO RECONSTRUCTION, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. The Builder agrees to and does hereby, to the extent legally possible without impairing any claim, right or cause of action hereinafter referred to, transfer, assign, set over and deliver to the Vendor and, subject to the rights of the Vendor under this Agreement, to the Vendee, every claim, right and cause of action which the Builder has or hereafter shall have against any party who shall perform any of the reconstruction of the Hulks and the Builder agrees to execute and deliver to the Vendor and the Vendee all and every such further assurance as may be reasonably requested more fully to effectuate the assignment, transfer and delivery of every such claim, right and cause of action.

The Builder agrees to indemnify, protect and hold harmless the Vendor, the Owner, the Investors and the Vendee (in both its individual and fiduciary capacities) from and against any and all liability, including, without limitation, strict or absolute liability in tort or by statute imposed, claims, demands, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the Vendor, the Owner and the Vendee (i) because of the use in or about the construction or operation of the Equipment or the reconstruction of the Hulks, or any unit thereof, of any design, article or material infringing or claimed to infringe on any patent or other right or (ii) arising out of any accident or tort in connection with the reconstruction, operation, use, condition, possession or storage by the Builder of any of the Hulks or any unit of the Equipment resulting in damage to property or injury or death to any person. The Vendor or the Vendee will give notice to the Builder of any claim as to which it has received actual notice from which liability may be charged against the Builder under this paragraph.

The indemnities made in this Article 9 by the Builder shall not be modified, abated, postponed or in any other way or in any manner diminished or reduced as a consequence of any action or inaction of the Vendee, the Owner, the Vendor or the Investors in connection with, relating to, or arising out of the rights (whether or not exercised) of any such party to inspect or approve the reconstruction to be performed by the Builder pursuant to this Agreement. Such

indemnities shall in all events, and in addition to the agreements contained elsewhere in this Article 9, extend to and apply to any allegation against any indemnified party that it has been negligent, either actively or passively, or is guilty of a breach of other duty, including, without limitation, any breach of warranty or breach of contract, to any person or organization.

The warranties and indemnities of the Builder contained or referred to in this Article 9 and in any other Articles hereof and all other covenants and obligations of the Builder contained in this Agreement shall inure to the benefit of, and be enforceable by the Vendee (in both its individual and fiduciary capacities), the Vendor, the Owner, the Investors, any lessor, lessee, assignee or transferee of this Agreement or of any units of the Equipment reconstructed by the Builder hereunder.

ARTICLE 10. Assignments. The Vendee will not (a) except as provided in Article 7 hereof or the Trust Agreement, transfer the right to possession of any unit of the Equipment.

All or any of the rights, benefits and advantages of the Vendor under this Agreement, including the right to receive the payments herein provided to be made by the Vendee, may be assigned by the Vendor and reassigned by any assignee at any time or from time to time. No such assignment shall subject any assignee to, or relieve the Builder from, any of the obligations of the Builder to reconstruct the Equipment on behalf of the Vendor and the Vendee and deliver the Equipment in accordance herewith or to respond to its warranties and indemnities contained or referred to in Article 9 hereof or relieve the Vendee of its obligations to the Builder or diminish the rights of the Vendee contained or referred to in this Agreement.

Upon any such assignment, either the assignor or the assignee shall give written notice to the Vendee, together with a counterpart or copy of such assignment, stating the identity and post office address of the assignee, and such assignee shall, by virtue of such assignment, acquire all the assignor's right, title and interest in and to the Equipment and this Agreement, or in and to a portion thereof, as the case may be, subject only to such reservations as may be contained in such assignment. From and after the receipt by the Vendee of the

notification of any such assignment, all payments thereafter to be made by the Vendee under this Agreement shall, to the extent so assigned, be made to the assignee in such manner as it may direct and shall constitute full compliance with the terms of this Agreement. The Vendee may rely upon instruments or documents which it believes in good faith to be true and authentic.

ARTICLE 11. Defaults. In the event that any one or more of the following events of default shall occur and be continuing (irrespective of the provisions of Article 3 or 18 hereof or any other provision of this Agreement limiting the liability of the Vendee), to wit:

(a) the Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due hereunder and such default shall continue for 10 days; or

(b) the Vendee, the Owner or the Lessee shall, for more than 30 days after the Vendor shall have demanded in writing (sent to both the Lessee, the Owner and the Vendee) performance thereof, fail or refuse to comply with any other covenant, agreement, term or provision (other than provisions made solely for the benefit of persons other than the Vendor or the Investors) of this Agreement, the Participation Agreement, the Transfer Agreement, the Hulk Purchase Agreement or the Lease Assignment on its part to be kept and performed and the Vendee or the Lessee shall have failed to make provision satisfactory to the Vendor for such compliance; or

(c) a petition for reorganization under Title 11 of the United States Code, as now constituted or as hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Agreement, the Lease and the Consent shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as

expenses of administration and obligations incurred by such trustee or trustees, within 60 days after such petition shall have been filed and otherwise in accordance with the provisions of 11 U.S.C. § 1168, or any successor provision, as the same may hereafter be amended; or

(d) any other proceeding shall be commenced by or against the Vendee in its trust capacity, the Owner or the Lessee for any relief which includes, or might result in, any modification of the obligations hereunder or under the Lease Assignment, the Transfer Agreement, the Lease, Consent, the Trust Agreement or the Participation Agreement of the Vendee, the Owner or the Lessee, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustment of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of such obligations), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Vendee, the Owner or the Lessee, as the case may be, hereunder and thereunder shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Vendee, the Owner or the Lessee, as the case may be, or for their respective property in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced; or

(e) the Vendee shall make or permit any unauthorized assignment or transfer of this Agreement or any interest herein or any unauthorized transfer of the right to possession of any unit of the Equipment and the Vendee shall, for more than 30 days after demand in writing by the Vendor, fail to secure a reassignment or retransfer to the Vendee of such Agreement, interest or right; or

(f) any Event of Default shall have occurred under the Lease; provided, however, no event of default shall be deemed to have occurred hereunder if such Lease Event of Default under the Lease shall have arisen as a result of the failure of the Lessee to make any Excluded Payment (as defined in the Lease Assignment) unless and until the Owner shall notify the Vendor in writing that it deems such failure to be an event of default, provided further, however, that an Event of Default under the Lease (other than an Event of Default under Section 9A of the Lease) shall not be deemed to be an event of default hereunder if such default under the Lease causing such Event of Default thereunder is cured by the Vendee's remedying such default prior to the expiration of 5 days after the date of the occurrence of such Event of Default under the Lease, and provided, further, however, that an Event of Default under Section 9A of the Lease shall not be deemed to be an event of default hereunder if (i) not more than 6 such Events of Default shall have occurred and not more than 3 such Events of Default shall have occurred on consecutive dates and (ii) the Vendee shall not be in default under the provisions of clause (a) of this Article 11.

then at any time after the occurrence of such an event of default the Vendor may upon written notice to the Vendee and the Lessee and upon compliance with any legal requirements then in force and applicable to such action by the Vendor, (i) cause the Lease to terminate effective 30 days after such notice if the Vendee shall have failed to pay or cause to be paid during such 30-day period the entire unpaid CSA Indebtedness, together with interest thereon then accrued and unpaid (including interest thereon at the Penalty Rate, or such lesser amount as shall be legally enforceable, to the extent that such payments of the CSA Indebtedness are overdue) and all other amounts then payable hereunder, but the Lessee shall remain liable as therein provided and/or (ii) declare (a "Declaration of Default") the entire unpaid CSA Indebtedness together with the interest thereon then accrued and unpaid, immediately due and payable, without further demand, and thereafter the aggregate of the unpaid balance of such indebtedness and interest shall bear interest from the date of such Declaration of Default at the rate per annum specified in Article 3 hereof as being applicable to amounts remaining unpaid after becoming due and payable, to the extent legally enforceable. Upon a Declaration of Default, subject to Article 3 hereof, the Vendor shall be entitled to recover judgment for the entire unpaid balance of the CSA Indebtedness, with interest as aforesaid, and to collect such judgment out of the Trust Estate, subject to the limitations of Articles 3 and 18 hereof, wherever situated.

Notwithstanding anything to the contrary contained herein, upon any failure by the Builder to pay or perform any of its obligations hereunder to the Owner or the Vendee with respect to any Hulk or the reconstruction thereof, the Vendee or the Owner may exercise any right or remedy with respect thereto which may be available to it under applicable law or proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof; provided that neither the Vendee nor the Owner may take any action hereunder with respect to the Trust Estate or any unit of Equipment or any action whatsoever under Articles 11 or 12 hereof, unless it shall have received the prior written consent of the Vendor.

The Vendor may, at its election, waive any such event of default and its consequences and rescind and annul any Declaration of Default or notice of termination of the Lease by notice to the Vendee in writing to that effect, and thereupon the respective rights of the parties shall be as they would have been if no such event of default had occurred and no Declaration of Default or notice of termination of the Lease had been made or given. Notwithstanding the provisions of this paragraph, it is expressly understood and agreed by the Vendee that time is of the essence of this Agreement and that no such waiver, rescission or annulment shall extend to or affect any other or subsequent default or impair any rights or remedies consequent thereon.

ARTICLE 12. Remedies. At any time during the continuance of a Declaration of Default, the Vendor may, upon such further notice and action, if any, as may be required for compliance with any mandatory legal requirements then in force and applicable to the action to be taken by the Vendor, take or cause to be taken, by its agent or agents, immediate possession of the Equipment, or one or more of the units thereof, without liability to return to the Vendee any sums theretofore paid and free from all claims whatsoever, except as hereinafter in this Article 12 expressly provided, and may remove the same from possession and use of the Vendee, the Lessee or any other person and for such purpose may enter upon the premises of the Vendee or the Lessee or any other premises where the Equipment may be located and may use and employ in connection with such removal any supplies, services and aids and any available trackage and other facilities or means of the Vendee or the Lessee, subject to all mandatory requirements of due process of law. The Vendee hereby expressly waives any and all claims against the Vendor and its agent or agents for damages of whatever nature in connection with any retaking of any unit of the Equipment in any reasonable manner.

At any time during the continuance of a Declaration of Default, the Vendor (after retaking possession of the Equipment as hereinbefore in this Article 12 provided) may, at its election and upon such notice as is hereinafter set forth, retain the Equipment in satisfaction of the entire CSA Indebtedness and make such disposition thereof as the Vendor shall deem fit. Written notice of the Vendor's election to retain the Equipment shall be given to the Vendee and the Owner by telegram or registered mail, addressed as provided in Article 17 hereof, and to any other persons to whom the law may require notice, within 30 days after such Declaration of Default. In the event that the Vendor should elect to retain the Equipment and no objection is made thereto within the 30-day period described in the second proviso below, all the Vendee's rights in the Equipment shall thereupon terminate and all payments made by the Vendee may be retained by the Vendor as compensation for the use of the Equipment; provided, however, that if the Vendee, before the expiration of the 30-day period described in the proviso below, should pay or cause to be paid to the Vendor the total unpaid balance of the CSA Indebtedness together with interest thereon accrued and unpaid and all other payments due under this Agreement (and all obligations of the Lessee under any provisions of the Lease to the Vendor or any Investor shall have been satisfied or provision therefor satisfactory to the Vendor and the Investor shall have been made), then in such event all rights and interests of the Vendor in the Equipment shall be released and discharged; provided, further, that if the Vendee or any other persons notified under the terms of this paragraph object in writing to the Vendor within 30 days from the receipt of notice of the Vendor's election to retain the Equipment, then the Vendor may not so retain the Equipment, but shall sell, lease or otherwise dispose of it or continue to hold it pending sale, lease or other disposition as hereinafter provided or as may otherwise be permitted by law. If the Vendor shall not have given notice to retain as hereinabove provided or notice of intention to dispose of the Equipment in any other manner, it shall be deemed to have elected to sell the Equipment in accordance with the provisions of this Article 12.

At any time during the continuance of a Declaration of Default, the Vendor, with or without retaking possession thereof, at its election and upon reasonable notice to the Vendee and the Owner and any other persons to whom the law may require notice of the time and place, may sell the Equipment, or one or more of the units thereof, free from any and all claims of the Vendee or any other party claiming from, through or under the Vendee at law or in equity, at public or private sale and with or without advertisement as the Vendor may determine; provided, however, that

if, prior to such sale and prior to the making of a contract for such sale, the Vendee or the Owner should tender full payment of the total unpaid balance of the CSA Indebtedness, together with interest thereon accrued and unpaid and all other payments due under this Agreement as well as expenses of the Vendor in retaking possession of, removing, storing, holding and preparing the Equipment for, and otherwise arranging for, the sale and the Vendor's reasonable attorneys' fees (and all obligations of the Lessee under any provisions of the Lease to the Vendor or any Investor shall have been satisfied or provision therefor satisfactory to the Vendor and the Investor shall have been made), then in such event the rights and interests of the Vendor in the Equipment shall be immediately released and discharged. The proceeds of such sale or other disposition, less the attorneys' fees and any other expenses incurred by the Vendor in retaking possession of, removing, storing, holding, preparing for sale and selling or otherwise disposing of the Equipment, shall be credited on the amount due to the Vendor under the provisions of this Agreement and the balance shall be paid to the Vendee.

Any sale hereunder may be held or conducted at New York, New York, at such time or times as the Vendor may specify (unless the Vendor shall specify a different place or places, in which case the sale shall be held at such place or places as the Vendor may specify), in one lot and as an entirety or in separate lots and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner as the Vendor may determine, so long as such sale shall be in a commercially reasonable manner. The Vendor, the Owner or the Vendee may bid for and become the purchaser of the Equipment, or any unit thereof, so offered for sale. The Vendee and the Owner shall be given written notice of such sale not less than ten days prior thereto by telegram or registered mail, addressed as provided in Article 17 hereof. If such sale shall be a private sale (which shall be deemed to mean only a sale where an advertisement for bids has not been published in a newspaper of general circulation or a sale where less than 40 offerees have been solicited in writing to submit bids), it shall be subject to the right of the Vendee or the Owner to purchase or provide a purchaser, within 10 days after notice of the proposed sale price, at the same price offered by the intending purchaser or a better price. In the event that the Vendor shall be the purchaser thereof, it shall not be accountable to the Vendee (except to the extent of surplus money received as hereinafter provided in this Article 12), and in payment of the purchase price therefor the Vendor shall be entitled to have credited on account thereof all sums due to the Vendor hereunder.

Each and every power and remedy hereby specifically given to the Vendor shall be in addition to every other power and remedy hereby specifically given or now or hereafter existing at law or in equity, and may be exercised from time to time and simultaneously and as often and in such order as may be deemed expedient by the Vendor. All such powers and remedies shall be cumulative, and the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Vendor in the exercise of any such power or remedy and no renewal or extension of any payments due hereunder shall impair any such power or remedy or shall be construed to be a waiver of any default or an acquiescence therein. Any extension of time for payment hereunder or other indulgence duly granted to the Vendee shall not otherwise alter or affect the Vendor's rights or the Vendee's obligations hereunder. The Vendor's acceptance of any payment after it shall have become due hereunder shall not be deemed to alter or affect the Vendee's obligations or the Vendor's rights hereunder with respect to any subsequent payments or default therein.

If, after applying all sums of money realized by the Vendor under the remedies herein provided, there shall remain any amount due to it under the provisions of this Agreement, the Vendee shall, subject to the provisions of the last paragraph of Article 3 hereof, pay the amount of such deficiency to the Vendor upon demand, together with interest from the date of such demand to the date of payment, at the rate per annum specified in Article 3 hereof as being applicable to amounts remaining unpaid after becoming due and payable, and, if the Vendee shall fail to pay such deficiency, the Vendor may bring suit therefor and shall, subject to the limitations of the last paragraph of Articles 3 and 18 hereof, be entitled to recover a judgment therefor against the Vendee. If, after applying as aforesaid all sums realized by the Vendor, there shall remain a surplus in the possession of the Vendor, such surplus shall be paid to the Vendee.

The Vendee will pay, but only out of the Trust Estate, all reasonable expenses, including attorneys' fees, incurred by the Vendor in enforcing its remedies under the terms of this Agreement. In the event that the Vendor shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, the Vendor may recover, but only out of the Trust Estate, reasonable expenses, including reasonable attorneys' fees, and the amount thereof shall be included in such judgment.

The foregoing provisions of this Article 12 are

subject in all respects to all mandatory legal requirements at the time in force and applicable thereto.

ARTICLE 13. Applicable State Laws. Any provision of this Agreement prohibited by any applicable law of any jurisdiction which is not overridden by applicable Federal law shall as to such jurisdiction be ineffective, without modifying the remaining provisions of this Agreement. Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Vendee to the full extent permitted by law, it being the intention of the parties hereto that this Agreement shall be deemed to be a conditional sale and enforced as such.

Except as otherwise provided in this Agreement, the Vendee, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more units thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Vendor's rights under this Agreement and any and all rights of redemption.

ARTICLE 14. Filing. The Vendee will cause this Agreement, any assignments hereof and any amendments or supplements hereto or thereto to be duly filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303 and the Vendee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, deposit and record any and all further instruments required by law or reasonably requested by the Vendor for the purpose of proper protection, to the satisfaction of special counsel for the Vendor, of its security title to the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement; and the Vendee will promptly furnish to the Vendor certificates or other evidence of such filing, registering, depositing and recording satisfactory to the Vendor.

ARTICLE 15. Article Headings. The table of contents and all article headings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

ARTICLE 16. Effect and Modification of Agreement. Except for the Participation Agreement, this Agreement, including any annexes or schedules or exhibits hereto, exclusively and completely states the rights of the parties hereto with respect to the Hulks and the Equipment

and supersedes all other agreements oral or written, with respect to the Hulks and the Equipment. No variation or modification of this Agreement and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized representatives of the parties hereto.

ARTICLE 18. Immunities; Satisfaction of Undertakings. No recourse shall be had in respect of any obligation due under this Agreement, or referred to herein, against any incorporator, stockholder, beneficiary, director or officer, as such, past, present or future, of the parties hereto, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of such incorporators, beneficiaries, stockholders, directors or officers being forever released as a condition of and as consideration for the execution of this Agreement.

Notwithstanding anything herein to the contrary,

each of the representations, warranties, undertakings and agreements herein made on the part of the Vendee are made and intended not as personal representations, warranties, undertakings and agreements by First Security State Bank or for the purpose or with the intention of binding said bank or the Owner personally but are made and intended for the purpose of binding only the Trust Estate (as such term is used in the Trust Agreement) and this Agreement is executed and delivered by said bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank (except in the case of wilful misconduct or gross negligence on the part of said bank) or the Owner hereunder (except, with respect to each such party, in connection with the payment or discharge of taxes, claims, liens, charges or security interests claimed from, through or under such party pursuant to paragraphs 18A and 18B of the Participation Agreement and except, with respect to the Owner the Down Payment referred to in Article 3 hereof and the interest payable on the CSA Indebtedness on August 1, 1981) on account of this Agreement or the Trust Agreement or on account of any representation, warranty, undertaking or agreement of the said bank hereunder, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived and released by the Vendor and the Builder and by all persons claiming by, through or under the Vendor or the Builder.

It is also expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that this Agreement is executed and delivered by the Agent, not in its individual capacity but solely as Agent under the Participation Agreement.

ARTICLE 19. Law Governing. LEASE OF RAILROAD EQUIPMENT, dated as of March 25, 1981, between SEABOARD COAST LINE RAILROAD COMPANY, a Virginia corporation (the "Lessee") and FIRST SECURITY STATE BANK, a Utah banking corporation, not in its individual capacity but solely as trustee (the "Lessor") under a trust agreement dated as of the date hereof (the "Trust Agreement") with Litton Industries Credit Corp. (the "Owner").

The Lessee and the Lessor are entering into a Reconstruction and Conditional Sale Agreement dated as of the date hereof (the "RCSA") with FIRST SECURITY BANK OF UTAH, N.A., not in its individual capacity but solely as Agent (said bank as so acting, being hereinafter, together with its successors and assigns, called the "Vendor"), under a Participation Agreement dated as of the date hereof (the "Participation Agreement") with the Lessor, the Lessee, the Owner and the party named in Schedule A thereto (such party, together with its successors and assigns, including any purchaser pursuant to Paragraph 14A thereof being hereinafter called the "Investors"), wherein the Vendor has agreed to transfer to the Lessor its interest in the railroad equipment described in Schedule A thereto (the "Equipment") after it has been reconstructed (pursuant to the terms of the RCSA) from the hulks (the "Hulks") delivered to the Lessor pursuant to a Hulk Purchase Agreement dated as of the date hereof (the "Hulk Purchase Agreement") between the Lessor and the Lessee.

The Lessee desires to lease all the units of the Equipment as are delivered, accepted and settled for under the RCSA (the "Units"). The Lessor will assign certain rights in this Lease for security to the Vendor pursuant to an Assignment of Lease and Agreement dated as of the date hereof (the "Lease Assignment") and the Lessee will consent thereto pursuant to the Consent and Agreement attached to the Lease Assignment (the "Consent").

In consideration of the agreements hereinafter set forth, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but subject to all the rights and remedies of the Vendor under the RCSA:

SECTION 1. Delivery and Acceptance of Units.

The Lessor will cause each Unit to be tendered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the RCSA. Upon such tender, the Lessee will cause an authorized

representative of the Lessee to inspect the same, and if such Unit is found to be in good order, to accept delivery of such Unit and execute and deliver to the Lessor a certificate of acceptance and delivery (the "Certificate of Acceptance"), whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

SECTION 2. Rental. The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, 30 consecutive semiannual payments in arrears on February 1 and August 1 of each year commencing February 1, 1982. The first 15 semiannual rental payments shall each be in an amount equal to the sum of (a) 5.422049% of the Purchase Price (as defined in the RCSA) of each Unit then subject to this Lease (a "Fixed Rental Amount") and (b) the Variable Rental Amount (as defined below) in respect of the semiannual period for which such installment is paid, and the remaining 15 semiannual rental payments thereafter shall each be in an amount equal to the sum of (a) 6.626949% of the Purchase Price of each such Unit then subject to this Lease (a "Fixed Rental Amount") and (b) the Variable Rental Amount in respect of the semiannual period for which such installment is paid. The foregoing rental rates and the Casualty Value percentages set forth in Schedule B hereto have been calculated on the assumption that (i) the Units will be delivered and accepted on or prior to July 31, 1981, (ii) the Reconstruction Cost (as defined in the RCSA) of the Units will equal the estimated Reconstruction Cost set forth in Schedule A to the RCSA and (iii) the Closing Date (as defined in the RCSA) of all the Units will be on the date set forth in Schedule B to the RCSA. If for any reason any of the above assumptions shall not be true and accurate, the Lessor and the Lessee agree that the rentals payable hereunder and the Casualty Value percentages set forth in Schedule B hereto will be adjusted, if necessary in the Owner's opinion (or if necessary because the Units were not subject to this Lease until after July 31, 1981), in order that the Owner's net after-tax return on and rate of recovery of investment and annual net cash flows (computed on the same assumptions, including, without limitation, tax rates, as were utilized by the Owner in establishing the lease rentals and Casualty Value percentages for this transaction) will not be increased or decreased by reason thereof. The amount of such increase or decrease shall be determined by the Owner, which determination shall be conclusive and binding on Lessee if the Owner shall certify in writing to the Lessee that such increase or decrease was determined in good faith compliance with the immediately preceding sentence. The rentals payable hereunder and the Casualty Value percentages are also subject to

adjustment as provided in the fifth paragraph of Article 3 of the RCSA, Paragraph 14A of the Participation Agreement and the Indemnity Agreement. The Lessor and the Lessee agree to execute an addendum to this Lease to reflect each such adjustment; provided that such adjustment shall be effective for all purposes of this Lease regardless of whether such addendum is actually executed and delivered. Notwithstanding any other provision in this Lease, the Participation Agreement, the RCSA or the Indemnity Agreement, the rentals and Casualty Value percentages, as so adjusted (including any adjustment to the Fixed Rental Amount resulting from a positive or negative Variable Rental Amount (as hereinafter defined)), shall be sufficient to satisfy the obligations of the Lessor under the RCSA, notwithstanding any limitation of liability contained therein.

"Variable Rental Amount" shall mean, for any semiannual rental payment date, (i) the amount of interest on the outstanding CSA Indebtedness due and payable on such date, less (ii) the amount of interest which would have accrued on the outstanding CSA Indebtedness during the semiannual period preceding such semiannual rental payment date and which would have been due and payable on such date if the outstanding CSA Indebtedness had borne interest payable annually at a rate per annum equal to 14.25% (computed on the basis of a 360-day year consisting of 12 30-day months). The Variable Rental Amount may be positive, negative or zero.

If any of the rental payment dates referred to above is not a business day the rental payment otherwise payable on such date shall be payable on the next succeeding business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and any other day on which banking institutions in Stamford, Connecticut, Jacksonville, Florida, Salt Lake City, Utah or New York, New York, are authorized or obligated to remain closed.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof

or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or under the RCSA, or the Owner or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or failure of title of the Lessor to any of the Units or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against Lessee's use of all or any of the Units, the taking or requisitioning of any of the Units by condemnation or otherwise, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever. All payments under the Lease shall be made by bank wire transfer of Federal or other funds immediately available at, and not later than 10:00 a.m. local time, in the city where such payments are due.

SECTION 3. Term of Lease. The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of Sections 6, 9 and 12 hereof,

shall terminate on the date on which the final payment of rent in respect thereof is due hereunder; provided, however, all the obligations of the Lessee, except for the payment of rent and the furnishing of annual reports, shall continue until surrender of the Units in accordance with Section 13 hereof. Nothing in this paragraph shall be deemed to terminate any obligation or provision of this Lease which by its terms is stated to survive the final payment of rent due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the RCSA. If an event of default should occur under the RCSA, the Vendor may terminate this Lease (or rescind its termination), all as provided therein.

SECTION 4. Identification Marks. The Lessee, so long as this Lease shall remain in effect, will cause each Unit to be kept numbered with the road number set forth in Schedule A hereto and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than one inch in height, the words "Ownership Subject to a Security Agreement Filed with the Interstate Commerce Commission" or other appropriate markings designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect Lessor's and Vendor's title to and property in such Unit and the rights of the Lessor under this Lease and of the Vendor under the RCSA. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such legend shall have been so marked on both sides thereof and will replace promptly any such legend which may be removed, obliterated, defaced or destroyed. The Lessee will not change the road number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and filed by the Lessee in all public offices where this Lease and the RCSA shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to that effect and to the further effect that such filing, recordation and deposit will protect the Vendor's and the Lessor's interests in such Units and that no filing, recording, depositing or giving of notice with or to any

other Federal, state or local government or agency thereof is necessary to protect the interests of the Vendor and the Lessor in such Units.

Except as above provided, the Lessee, so long as this Lease shall remain in effect, will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease.

SECTION 5. Impositions. All payments to be made by the Lessee hereunder, will be free of all withholding or expense of any nature whatsoever to the Lessor, the Owner, the Vendor, the Investors (as defined in the Participation Agreement) (including their respective successors, assigns, agents and servants) and the Trust Estate (as defined in the Trust Agreement), for, and the Lessee shall pay and shall indemnify and hold harmless the Lessor, the Owner, the Vendor, the Investors (including their respective successors, assigns, agents and servants) and the Trust Estate, from and against all collection charges, all license and registration fees and all taxes, including without limitation, income, sales, use, personal property, stamp, interest equalization, withholding and other taxes, levies, imposts, duties, charges, or withholdings of any nature, together with any penalties, fines or interest thereon (all such collection charges, fees, taxes, levies, imposts, duties, charges, withholdings, penalties, fines and interest being hereinafter called collectively "Impositions"), imposed against the Lessor, the Owner, the Vendor, the Investors (including their respective successors, assigns, agents and servants) the Trust Estate, the Lessee or any Unit or any part thereof by any Federal, state or local government or taxing authority of or in the United States of America, or by any taxing authority or governmental subdivision of a foreign country, upon or with respect to any Unit or any part thereof, or upon or with respect to the purchase, ownership, delivery, leasing, rental payment, shipment, possession, use, operation, sale, return, transfer of title, or other disposition thereof, or upon the rentals, receipts or earnings arising therefrom, or upon the proceeds received with respect thereto, or upon or with respect to this Lease, the Participation Agreement, the

Trust Agreement, the Hulk Purchase Agreement, the RCSA, the Transfer Agreement, the Lease Assignment or the CSA Indebtedness (or any amendment, consent, waiver or modification of any thereof); excluding, however:

(i) United States Federal income taxes payable by the Owner in consequence of the receipt of payments provided for herein and, to the extent that the Owner receives credit therefor against its United States Federal income tax liability, any foreign income taxes payable by the Owner; provided, however, that all other foreign taxes of the Owner for the same period which qualify for such credit are first allowed and utilized;

(ii) the aggregate of all state or local taxes payable by the Owner measured by net income based on such receipts, up to the amount of any such taxes which would be payable to the state and city in which the Owner has its principal place of business (determined without apportionment to any other state);

(iii) any taxes on or measured by any fees or other compensation received by the Lessor or the Vendor for services rendered in connection with the transactions contemplated hereby; or

(iv) any United States Federal, state or local taxes, or other charges on or with respect to the investment in or transfer of the CSA Indebtedness or the revenues, receipts, or earnings therefrom for which any Investor is liable;

except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse herein provided. The Lessee will also pay promptly all Impositions which may be imposed upon any Unit or any part thereof or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all Impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit. The Lessee need not pay any Imposition to the extent that and while it is being contested by the Lessee in good faith and by appropriate proceedings and so long as such proceedings or the nonpayment of such Imposition does not, in the opinion of the Owner and the Vendor involve (A) any

danger of the sale, forfeiture or loss of any Unit or any interest therein, (B) any material adverse change in the title, property or rights of the Lessor in or to the Units hereunder or of Vendor under the RCSA, (C) any assessment or penalty against any party which is indemnified by this Section 5, (D) any interference with the due payment by the Lessee of rentals hereunder or the application of such rentals under the Lease Assignment or (E) any danger of criminal liability or of other liability for which no indemnification is provided hereunder being imposed against the Lessor, the Owner, the Vendor, the Trust Estate, any Investor, or the agents or servants of any of them. If any Imposition shall have been charged or levied against the Lessor, the Owner, the Vendor or the Investors (including their respective successors, assigns, agents and servants) or the Trust Estate directly, the Lessee shall be advised promptly and shall be given an opportunity to contest such Imposition before the Imposition is paid by the Lessor, the Owner, the Vendor, the Investors or the Trust Estate, and if, after such notice is given and such opportunity is provided, the Lessor, the Owner, the Vendor, the Investors or the Trust Estate shall pay such Imposition, the Lessee shall reimburse such person, plus interest at the rate of 14.25% per annum (computed on the basis of a 360-day year or 12 30-day months) from the date of payment to the date of reimbursement, upon presentation of an invoice therefor. The Lessee further agrees that it will promptly pay to the Lessor, the Owner, the Vendor, the Investors (including their respective successors, assigns, agents and servants) or the Trust Estate, as the case may be, an amount which, after deduction of any taxes required to be paid by such person in respect of the receipt thereof, shall be equal to any additional tax payable by such person attributable to the inclusion in such person's income of any payment or reimbursement made or payable by the Lessee under this Section 5; provided, however, that such payment shall be reduced by an amount equal to any reduction in taxes resulting from the deduction by such person of the liability or payments with respect to which such payment or reimbursement is made or paid by the Lessee.

All amounts payable by the Lessee pursuant to this Section 5 shall be payable, to the extent not theretofore paid, on written demand by the party entitled to indemnification; and all the indemnities contained in this Section 5 shall continue in full force and effect notwithstanding the

expiration or other termination of this Lease and are expressly made for the benefit of, and shall be enforceable by the Lessor, the Owner, the Trust Estate, the Vendor and the Investors.

The parties hereto acknowledge that the Units become a part of the mass of property used by the Lessee in its operations as a common carrier by rail. Consequently, the parties agree that the Lessee shall include the Units in the ad valorem tax returns to be filed by the Lessee in the applicable states or localities and that neither the Vendor nor the Vendee shall include the Units in any ad valorem tax returns filed by them in such states or localities.

In the event any reports with respect to Impositions are required to be made, the Lessee will either make such reports in such manner as to show the ownership of the Lessor and the security interest of the Vendor in the Units or notify the Owner, the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Owner, the Lessor and the Vendor.

In the event the Lessee may be prohibited by law or impaired from contesting in its own name any Imposition covered by this Section 5 in respect of which the Lessee would otherwise be required to make payments to the Owner or the Lessor pursuant hereto, the Owner or the Lessor shall, upon request and at the expense of the Lessee, take all legal and other appropriate action reasonably requested by the Lessee to contest such Imposition. The Owner or the Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor and the Owner in a manner satisfactory to the Lessor and the Owner, for all liabilities and expenses which may be entailed therein. Further, the Lessee shall indemnify and hold the Owner and the Lessor harmless from and against any and all claims, costs, expenses, damages, losses and liabilities incurred in connection therewith as a result of, or incident to, any action taken by the Owner, the Lessor or the Lessee under this Section 5. The Lessee shall be entitled to any refund received by the Owner, the Lessor or the Lessee in respect of any Imposition paid by the Lessee, provided no Event of Default or other event

which, with notice, demand and/or lapse of time, would constitute such an Event of Default shall have occurred and be continuing.

SECTION 6. Maintenance; Payment for Casualty Occurrences; Insurance. The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good operating order, repair and condition ordinary wear and tear excepted.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed or, in the opinion of the Lessee, irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise by the United States Government for a period which shall exceed the then remaining term of this Lease or by any other governmental entity resulting in loss of possession by the Lessee for the lesser of a period of 90 consecutive days or a period which shall exceed the then remaining term of this Lease (each such occurrence being hereinafter called a "Casualty Occurrence") prior to the return of such Unit in the manner set forth in Section 13 hereof, the Lessee shall, within 30 days after it shall have determined that such Unit has suffered a Casualty Occurrence, fully notify the Lessor and the Vendor in writing with respect thereto. Notwithstanding any such Casualty Occurrence, the Lessee shall continue making all payments provided for in this Lease in respect of such Unit until the Casualty Payment Date (as hereinafter defined) listed in Table 1 of Schedule B hereto next succeeding such notice. On August 1, 1981, or the next rental payment date, as the case may be ("Casualty Payment Date"), the Lessee shall pay to the Lessor the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with Schedule B hereto, plus the rental payment or payments in respect of such Unit then due and payable. Upon the making of all such payments by the Lessee in respect of any Unit, the rental for such Unit shall thereafter cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent, to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable under the circumstances on an "as is, where is, and with all faults" basis in accordance with the Lessee's normal procedures. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the net proceeds

of such sale after deductions of any cost or expense incurred in disposing of such Unit to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

Subject to adjustment pursuant to the provisions of Section 2 and the Indemnity Agreement, the Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be an amount equal to the sum of (a) that percentage of the Purchase Price of such Unit as is set forth in Table 1 of Schedule B hereto opposite such date with respect to such Unit plus (b) that percentage, if any, of the Reconstruction Cost thereof as set forth in Table 2 of said Schedule B with respect to such Unit.

Whenever any Unit shall suffer a Casualty Occurrence at the end of the term of this Lease or after termination of this Lease and before such Unit shall have been returned in the manner provided in Section 13 hereof, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit set forth in Schedule B hereto as of the rental payment date immediately preceding such termination. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent, to dispose of any Unit suffering such Casualty Occurrence or any component thereof, at the best price obtainable on an "as is, where is, and with all faults" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

Except as hereinabove in this Section 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the responsibility for and risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times while this Lease is in effect, at its own expense, cause to be carried and maintained types and amounts of insurance in respect of the Units at the time subject hereto and the use and operation thereof, including, without limitation, property insurance and public liability insurance, in such amounts and for

such risks and with such insurance companies as are at least comparable to insurance coverage carried by the Lessee in respect of similar equipment owned or leased by it; provided, however, that, in respect of property insurance, the Lessee may self-insure any Unit to the extent that it self-insures similar equipment owned by it. The Lessee hereby assigns and transfers to the Lessor, the Owner and the Vendor, as their interests may appear, all right, title, and interest in and to any insurance proceeds paid under any policy of insurance to the extent such proceeds relate to the Units or the use and operation thereof as aforesaid; provided, however, if the Lessee fully complies with all the provisions of this Section 6 and the penultimate paragraph of Section 9 hereof in respect of the risk insured against as to which such proceeds are paid and, if there is no Event of Default under Section 9 hereof, the Lessee shall be entitled to retain all such proceeds. Lessee will furnish to the Lessor, the Owner and the Vendor on request a statement of its insurance coverage and furnish to the Lessor, the Owner and the Vendor 30 days' prior written notice of any substantial change in such coverage; provided, however, that if it is not practicable for the Lessee to have knowledge of a material change or cancelation of insurance at least 30 days prior to the occurrence thereof, the Lessee shall give the Lessor and the Vendor written notice as soon as the Lessee learns of such change or cancelation.

Nothing in this Section 6 shall prohibit the Lessor, the Vendor or the Owner from maintaining at its expense, additional insurance for its own account with respect to the Units.

SECTION 7. Annual Reports. On or before March 31 in each year, commencing with the calendar year 1982, the Lessee will cause to be furnished to the Lessor, the Owner and the Vendor (at the addresses shown in Section 16 hereof) an accurate statement, as of the preceding December 31, showing the amount, description and numbers of the Units (a) then leased hereunder and/or covered by the RCSA, (b) that have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease in the case of the first such statement) and (c) then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs and setting forth such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, and stating that, in the case of all Units repainted or repaired during the period covered by such

statement, the markings required by Section 4 hereof shall have been preserved or replaced. The Lessor, the Owner and the Vendor shall have the right at their sole cost, risk and expense, by their authorized representatives, to inspect the Units and the Lessee's records with respect thereto (including those relating to any use of the Units outside the United States) at such reasonable times as the Lessor, the Owner or the Vendor may request during the continuance of this Lease.

SECTION 8. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR AND THE OWNER MAKE NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR AND THE OWNER MAKE NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE, OR OTHERWISE, it being agreed that all such risks, as between the Lessor, the Owner and the Lessee, are to be borne by the Lessee. The Lessor and the Owner shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation, or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee, the Owner and the Lessor that all Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor or the Owner based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor, the Owner and the Vendor, to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the

Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units (the "Applicable Laws"), and in the event that, prior to the expiration of this Lease or any renewal thereof and the return of all Units as provided in Section 10 or 13 hereof, such laws or rules require any alteration, replacement, addition or modification of or to any part of any Unit, the Lessee will conform therewith at its own expense; provided, however, that the Lessee may at its own expense, in good faith, contest the validity or application of any Applicable Law in any reasonable manner which does not, in the advance opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor, respectively, under this Lease or the RCSA. So long as no Event of Default shall have occurred and be continuing the Lessee, at its own cost and expense, may furnish additions, modifications and improvements to any Unit during the term of this Lease provided that such additions, modifications and improvements (a) are readily removable without causing material damage to such Unit and (b) do not diminish its utility or value. The additions, modifications and improvements made by the Lessee under the first sentence of this paragraph shall be owned by the Lessor, and the additions, modifications and improvements made by the Lessee under the second sentence of this paragraph shall (unless any such addition, modification or improvement is a replacement of or substitution for, any part originally incorporated or installed in or attached to a Unit or any part in replacement of or substitution for any such original part) be owned by the Lessee.

The Lessee agrees to indemnify, protect and hold harmless the Lessor (individually and in its fiduciary capacity), the Owner, the Vendor and the Investors from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as a result of (i) the entering into or the performance of the RCSA, the Participation Agreement, the Documents (as defined in the Participation Agreement), the Hulk Purchase Agreement, or this Lease, or any of the instruments or agreements referred to therein or herein or contemplated thereby or hereby,

(ii) the ownership of any Hulk or any Unit, (iii) the ordering, acquisition, use, operation, maintenance, condition, reconstruction, purchase, delivery, rejection, storage or return of any Hulk or any Unit, (iv) any accident in connection with the operation, use, condition, reconstruction, possession, storage or return of any Hulk or any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in Section 13 of this Lease, including without limitation any claim based upon the doctrines of product liability or strict or absolute liability in tort or by statute imposed, or (v) the transfer of title to the Equipment by the Vendor pursuant to any provision of the RCSA. The Lessor agrees to give the Lessee, promptly upon obtaining knowledge thereof, written notice of any claim or liability to be indemnified against hereunder. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the delivery of the Equipment or the full payment and performance of all obligations under this Lease and the Hulk Purchase Agreement or the expiration or termination of the term of this Lease and/or the Hulk Purchase Agreement; provided, however, that the foregoing indemnification shall not apply to any failure of payment of any of the principal of or interest on the CSA Indebtedness. Nothing in this Section 8 shall constitute a guarantee by the Lessee of the CSA Indebtedness of the Lessor under the RCSA or a guarantee of the residual value of any Unit.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any Federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

SECTION 9. Default. If, during the continuance of this Lease, one or more of the following events (an "Event of Default") shall occur:

A. default shall be made in the payment of any amount provided for in Section 2, 5, 6, 8 or 12 hereof and such default shall continue for 10 days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any

interest therein, or of the right to possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement and such default shall continue for 30 days after written notice from the Lessor or the Vendor to the Lessee (and the Lessor, if such notice is given by the Vendor) specifying the default and demanding that the same be remedied;

D. a petition for reorganization under Title 11 of the United States Code, as now constituted or as hereafter amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, the RCSA and the Consent shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees, within 60 days after such petition shall have been filed and otherwise in accordance with the provisions of 11 U.S.C. § 1168, or any successor provision, as the same may hereafter be amended; or

E. any other proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder or under the Participation Agreement, the RCSA, or the Consent, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Participation Agreement, the RCSA, or the Consent), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise

rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease and under the Participation Agreement, the RCSA, and the Consent shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such a trustee or trustees or receiver or receivers, within 60 days after such proceedings shall have been commenced; or

F. an event of default set forth in Article 11 of the RCSA shall have occurred arising out of any default by the Lessee in performing any of its obligations hereunder or under the Participation Agreement, the RCSA, or the Consent and shall not have been cured as provided for therein; or

G. any of the Lessee's representations or warranties made herein, in the Participation Agreement, the RCSA or the Hulk Purchase Agreement or any statement or certificate at any time given in writing pursuant hereto or in connection herewith shall be breached or found to be false or misleading in any material respect;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof, including amounts sufficient to restore the Owner to the same after-tax rate of return and after-tax cash position (after considering the effect of the receipt of such damages and amounts on their United States Federal income tax and state and local taxes or franchise taxes based on net income) that the Owner would have realized or would have been in had such breach not occurred;

(b) by notice in writing to the Lessee terminate

this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of the bargain and not as a penalty, whichever of the following amounts the Lessor, in its sole discretion, shall specify: (x) a sum, with respect to each Unit, equal to the excess of the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over the then present value of the rental which the Lessor reasonably estimates to be obtainable for the Unit (as is, where is) during such period, such present value to be computed in each case on the basis of a 10% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated; or (y) an amount equal to the excess, if any, of the Casualty Value as of the rental payment date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value of such Unit (as is, where is) at such time; provided, however, that in the event the Lessor shall have sold any Unit, the Lessor, in lieu of collecting any amounts payable to the Lessor by the Lessee pursuant to the preceding clauses (x) and

(y) of this part (b) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or next preceding the date of termination over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

Should the Lessee fail to make any payment or to do any act as provided by this Lease, then the Lessor shall have the right (but not the obligation), without notice to the Lessee of its intention to do so and without releasing the Lessee from any obligation hereunder to make or to do the same, to make advances to preserve the Equipment or the Lessor's title thereto, and to pay, purchase, contest or compromise any insurance premium, encumbrance, charge, tax, lien or other sum which in the judgment of the Lessor appears to affect the Equipment, and in exercising any such rights, the Lessor may insure any liability and expend whatever amounts in its absolute discretion it may deem necessary therefor. All sums so incurred or expended by the Lessor shall be due and payable by the Lessee within ten (10) days of notice thereof.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

SECTION 10. Return of Units upon Default. If this Lease shall terminate pursuant to Section 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any Unit or Units so interchanged) place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance, rent or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, insure, maintain and keep the Equipment in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any

prospective purchaser of any such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

The Lessee hereby waives any and all claims against the Vendor or the Lessor and their agents for damages of whatever nature in connection with any retaking of the Units in any reasonable manner.

All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which the greater of (i) .0368164% of the Purchase Price of such Unit or (ii) the per diem interchange rate for such Unit for each such day, exceeds the actual earnings received by the Lessor on such Unit for each such day. Nothing contemplated by this paragraph, including the payment by the Lessee of any amounts pursuant hereto shall be deemed to relieve the Lessee of its obligation to assemble, deliver and store the Units or affect the Lessor's rights and remedies with respect to such obligation.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this Section 10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney-in-fact of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

SECTION 11. Assignment; Possession and Use.

This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. The rights of the Lessor hereunder (including the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Vendor as assignee under the Assignment in the manner and to the extent therein provided.

So long as the Lessee shall not be in default under this Lease and no event of default exists under the RCSA, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease but, without the prior written consent of the Lessor and the Vendor, the Lessee shall not assign or transfer its leasehold interest under this Lease in any of the Units or sublease any of the Units, except to the extent permitted by the provisions of the next succeeding paragraph hereof; and any such assignment or transfer without said consent shall be void. The Lessee, at its own expense, will promptly discharge or cause to be duly discharged any and all sums claimed by any party which if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance which the Lessor or the Owner is obligated to discharge pursuant to Paragraphs 18A and 18B of the Participation Agreement), upon or with respect to any Unit or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, charge, security interest or other encumbrance which arises. The Lessee shall not, without the prior written consent of the Lessor and the Vendor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the next succeeding paragraph hereof.

Subject to the terms of this Lease, the Lessee shall be entitled to the possession of the Units and to the use thereof by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon the lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic and equipment, but only upon and subject to all the terms and conditions of this Lease, including the last paragraph of this Section 11, and the RCSA. The Lessee may receive and retain compensation from other railroads so using any of the Units.

Nothing in this Section 11 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation incorporated under the

laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the railroad properties of the Lessee as an entirety or substantially as an entirety; provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition, be in default under any provision of this Lease.

The Lessee agrees that during the term of this Lease, it will not assign any Unit to service involving the regular operation and maintenance thereof outside the United States of America.

Section 12. Renewal Option; Right of First Refusal. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may elect (which election shall be irrevocable), by written notice delivered to the Lessor not less than 180 days prior to the end of the original term of this Lease (or, in the event the Lessee extends the term of this Lease for an additional two-year term, not less than 180 days prior to the end of that extended term) to extend the term of this Lease in respect of all, but not fewer than all, the Units then covered by this Lease for one or two additional two-year periods commencing on the scheduled expiration of the original term or the first extended term of this Lease, as the case may be, at a semiannual rental payable in arrears in semiannual payments, in an amount equal to the "Fair Market Rental" of such Units as of the commencement of such extended term, such rental payments to be made on February 1, and August 1 in each year of the applicable extended term.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently

in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, (i) it shall be assumed that the Units are in the condition and repair in which they are required to be maintained pursuant to this Lease and that they are free and clear of all liens, claims and encumbrances, (ii) the value of the additions, modifications and improvements as to which Lessee retains title pursuant to Section 8 shall not be included and (iii) costs of removal from the location of current use shall not be a deduction from such value. If, within two months following receipt of the notice required by the preceding paragraph, Lessor and Lessee are unable to agree upon a determination of the Fair Market Rental of the relevant Units, such rental shall be determined in accordance with the foregoing definition by a qualified independent Appraiser as hereinafter defined. The term "Appraiser" shall mean such independent Appraiser as Lessor may select with the approval of Lessee, or, failing such approved selection, a panel of three independent Appraisers, one of whom shall be selected by Lessor, the second by Lessee and the third designated by the first two so selected; and if the Appraisers selected by Lessor and Lessee are unable to agree upon such third Appraiser, either Lessor or Lessee may apply to any court of competent jurisdiction to select such third Appraiser. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to Lessor and Lessee. The determination so made shall be conclusively binding upon both Lessor and Lessee. The expenses and fees of the Appraiser shall be paid by Lessee.

Unless this Lease has been terminated under Section 10 or there exists a Default or Event of Default hereunder, Lessor shall not, within 90 days after the end of the original or any renewal term of this Lease or pursuant to an offer received within such period, sell, transfer or otherwise dispose of any Unit unless:

(a) Lessor shall have received from a purchaser or purchasers a bona fide offer or offers in writing to purchase in the aggregate all, but not less than all, of the Units;

(b) Lessor shall have given Lessee notice (i) setting forth in detail the identity of such purchaser or purchasers, the proposed purchase price or prices, the proposed date of purchase and

all other material terms and conditions of such purchase, and (ii) offering to sell such Units to Lessee upon the same terms and conditions as those set forth in such notice; and

(c) Lessee shall not have notified Lessor, within 20 days following receipt of such notice, of its election to purchase such Units upon such terms and conditions.

If Lessee shall not have so elected to purchase such Units, Lessor may sell such Units to the purchaser or purchasers referred to in clause (a) above at a price and upon other terms and conditions no less favorable to Lessor than those specified in such notice. Lessor shall be free to sell any Unit pursuant to an offer received after 90 days of the end of the original or renewal term of this Lease.

Upon payment of the purchase price pursuant to the exercise by Lessee of its right of first refusal, Lessor shall, upon request of Lessee, execute and deliver to Lessee, or to Lessee's assignee or nominee, a bill of sale (without representations or warranties except that the Units so being sold are free and clear of all liens, charges, security interests and other encumbrances by or in favor of any person claiming by, through or under Lessor or the Owner and which the Lessor or the Owner are obligated to discharge pursuant to Paragraph 18 of the Participation Agreement) for such Units, and such other documents as may be required to release such Units from the terms and scope of this Lease and to transfer title thereto to Lessee, or such assignee or nominee, in such form as may reasonably be requested by Lessee, all at Lessee's expense.

Section 13. Return of Units upon Expiration of Term. After the expiration of the original or any extended term of this Lease, the Lessee will have 30 days to marshall the Units (without being required to make any payment to Lessor in respect of the Units) and the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Units to the Lessor upon such storage tracks of the Lessee as the Lessee may designate and permit the Lessor to store each group (as defined below) of such Units on such tracks for a period not exceeding 90 days, and transport the Units in each such group, on a one-time basis at any time within such 90-day period, to one or more connecting carriers for shipment, all as directed by the

Lessor, the movement and storage of each such group of Units to be at the expense and risk of the Lessee. A "group" of Units shall mean (i) the first 25% of the Units so delivered, (ii) the next 25% of the Units so delivered, (iii) the next 25% of the Units so delivered, (iv) the next 15% of the Units so delivered and, thereafter, each Unit so delivered will constitute a group. During any such storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this Section 13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, ordinary wear and tear excepted, (ii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable, and/or the applicable rules of any governmental agency or other organization with jurisdiction, and (iii) have removed therefrom by the Lessee without cost or expense to the Lessor all additions, modifications and improvements which the Lessee owns pursuant to Section 8 hereof. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and, upon application to any court having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units.

In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 30 days after the end of the term of this Lease, or any extended term, then the Lessee shall pay the Lessor for each day thereafter an amount equal to the greater of (i) .0368164% of the Purchase Price of such Unit or (ii) the per diem rental received from the service of such Unit for each such day. In addition, for each Unit that is loaded by the Lessee within 30 days after the end of the Lease, or any extended term, for each day during which the equipment is loaded the Lessee shall pay the Lessor the greater of the amounts specified in clauses (i) and (ii) of the preceding sentence. Nothing contemplated by this paragraph, including payment by

the Lessee of the above specified amounts, shall be deemed to relieve the Lessee from its obligation to assemble, deliver and store the Units or affect the Lessor's rights and remedies with respect to such obligation.

Section 14. Recording; Expenses. The Lessee, at its own expense, will cause this Lease, the Transfer Agreement, the RCSA and any assignment hereof or thereof to be filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303. The Lessee will undertake the filing, recording and depositing and refiling, rerecording and redepositing required of the Lessor under the RCSA and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease or the assignment hereof to the Vendor, or the RCSA; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, recording or depositing, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease, the Assignment, the Transfer Agreement and the RCSA shall be filed with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any unit.

Section 15. Interest on Overdue Obligations and Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations when due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to 1% over the Original Rate (as defined in the RCSA) per annum of the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

Section 16. Notices. Any instruction or notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States mails, first-class postage prepaid, addressed as follows:

(a) if to the Lessor, at 79 South Main Street, Salt Lake City, Utah 84111, attention: Corporate Trust Department, with a copy to Owner;

(b) if to the Lessee, at 500 Water Street, Jacksonville, Florida 32202, attention: Director of Finance;

(c) if to the Vendor, at 79 South Main Street, Salt Lake City, Utah 84111, attention: Trust Division--Corporate Trust Department;

(d) if to the Owner, at 600 Summer Street, Stamford, Connecticut 06904, attention: Vice President-Special Financing;

or addressed to any such party at such other address as such party shall hereafter furnish to the other party in writing.

Section 17. Effect and Modification of Lease. Except for the Participation Agreement, this Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

Section 18. Definitions. If and so long as this Lease is assigned to the Vendor (or any successor thereto) for collateral purposes, wherever the term "Lessor" is used in this Lease it shall also apply and refer to the Vendor and any successors thereto unless the context shall otherwise require and except that the Vendor shall not be subject to any liabilities or obligations under this Lease; and the fact that the Vendor is specifically named in certain provisions shall not be construed to mean that the Vendor (and any successors thereto) is not entitled to the benefits of other provisions where only the Lessor is named or where only the Vendor, as the case may be, is named.

Section 19. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart

delivered to the Vendor pursuant to the Lease Assignment shall be deemed to be the original counterpart and all other counterparts shall be deemed duplicates thereof. It is not necessary that the parties hereto all sign the same counterpart as long as each party shall sign a counterpart and such counterpart is delivered to the Vendor or its counsel, whereupon this Lease shall become effective. Although this Lease is dated as of the date first set forth above for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

Section 20. Law Governing; Severability. The terms of this Lease and all rights and obligations hereunder shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303.

Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 21. Immunities. Notwithstanding anything herein to the contrary, each and all of the representations, warranties, undertakings and agreements herein made on the part of the Lessor are made and intended not as personal representations, warranties, undertakings and agreements by The First Security State Bank or the Owner or for the purpose or with the intention of binding said bank or the Owner personally but are made and intended for the purpose of binding only the Trust Estate (as such term is used in the Trust Agreement); and this Lease is executed and delivered by said bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank (except in the case of wilful misconduct or gross negligence by said bank) or the Owner hereunder, on account of this Lease or on account of any representation, warranty, undertaking or agreement of said bank hereunder, either expressed or implied, all such personal liability, if any, being

expressly waived and released by the Lessee and by all persons claiming by, through or under the Lessee.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.

ASSIGNMENT OF LEASE AND AGREEMENT
dated as of March 25, 1981, by and between
FIRST SECURITY STATE BANK, a Utah banking
corporation, not in its individual capacity
but solely as trustee (the "Vendee") under
a Trust Agreement, dated as of the date
hereof (the "Trust Agreement") with LITTON
INDUSTRIES CREDIT CORP. (the "Owner"), and
FIRST SECURITY BANK OF UTAH, N.A., not in its
individual capacity but solely as Agent (the
"Vendor") under a Participation Agreement
dated as of the date hereof.

The Vendee and the Vendor have entered into a
Reconstruction and Conditional Sale Agreement dated as of
the date hereof (the "RCSA") with Seaboard Coast Line
Railroad Company (the "Lessee"), in its capacity as
builder, providing for the sale to the Vendee of the
security title of the Vendor in such units of railroad
equipment (the "Units") described in Schedule A thereto as
are delivered to and accepted by the Vendee thereunder.

The Vendee and the Lessee have entered into
a Lease of Railroad Equipment dated as of the date hereof
(the "Lease") providing for the leasing by the Vendee to
the Lessee of the Units.

In order to provide security for the obligations
of the Vendee under the RCSA and for certain obligations of
the Vendee and the Owner under the Participation Agreement
and the Lessee under the Lease and as an inducement to the
Vendor to invest in the CSA Indebtedness (as that term is
defined in the RCSA), the Vendee has agreed to assign for
security purposes its rights in, to and under the Lease to
the Vendor.

In consideration of the premises and of the
payments to be made and the covenants hereinafter men-
tioned to be kept and performed, the parties hereto agree
as follows:

1. The Vendee hereby assigns, transfers and
sets over unto the Vendor, as collateral security for the
payment and performance of (i) the obligations of the
Vendee under the RCSA, (ii) the obligations of the Vendee
and the Owner under the Participation Agreement and (iii)

those obligations of the Lessee under the Lease referred to in subparagraph (c) of the second paragraph of this Section 1, all the Vendee's right, title and interest, powers, privileges, and other benefits under the Lease (subject to Sections 10 and 11 hereof) including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Vendee from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys, other than Excluded Payments (as hereinafter defined), being hereinafter called the "Payments"), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Vendee is or may become entitled to do under the Lease. Notwithstanding the foregoing, the Vendee does not assign to the Vendor, and the Vendor shall have no right or interest in or to, Excluded Payments. As used herein, the term "Excluded Payments" shall mean (i) payments by the Lessee to the Owner for its own account or to the Vendee for its own account pursuant to Sections 5 and 8 of the Lease and the fourth paragraph of Article 9 of the RCSA, and (ii) any proceeds payable under liability insurance policies to or for the benefit of the Owner or the Vendee for its own account. In furtherance of the foregoing assignment and subject to Sections 10 and 11 hereof, the Vendee hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Vendee or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Vendee is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Vendee pursuant to the Lease. To the extent received the Vendor will apply such Payments as follows:

(a) to satisfy the obligations of the Vendee under the RCSA which are due and payable at the time such Payments are due and payable under the Lease or which become due and payable while such Payments are held as collateral security by the Vendor pursuant to the third and fourth paragraphs of this Section 1;

(b) to satisfy any obligations of the Owner and the Vendee under provisions of the Participation Agreement;

(c) if an Event of Default under the Lease (or an event which with notice or lapse of time, or both, could constitute such an Event of Default) shall have occurred and be continuing (unless such Event of Default shall have been cured by the Vendee as provided in Article 11(f) of the RCSA), (i) to satisfy any obligations of the Lessee under any provision of the Lease to the Vendor or any Investor and (ii) to satisfy any obligations of the Lessee, or to effect performance by the Lessee, under Sections 5, 6, 8, 9, 10 and 11 of the Lease; provided, however, that no Payment shall be applied as provided in clause (i) or (ii) (other than with respect to Section 9) until at least 30 days after the Vendor shall have demanded that the Lessee satisfy such obligation or effect such performance; and

(d) if no event of default under the RCSA or Event of Default under the Lease (or any event which with notice or lapse of time, or both, could constitute such an event of default or Event of Default) shall have occurred and be continuing, any balance shall be paid to the Vendee, or to such other person as the Vendee may direct in writing, in the type of funds received by the Vendor at such address as the Vendee may direct in writing.

All Payments received by the Vendor (and not applied pursuant to the second paragraph of this Section 1) which, but for the existence of an Event of Default under the Lease (or an event which with notice or lapse of time, or both, could constitute such an Event of Default) would be distributable, shall be held by the Vendor as part of the collateral security for the Vendee's obligations under the RCSA, the Owner's and the Vendee's obligations under the Participation Agreement and the Lessee's obligations and performance under the Lease (as described in subparagraph (c) of the second paragraph of this Section 1) until the earlier of

(i) application of such Payments pursuant to subparagraph (a), (b) or (c) of the second paragraph of this Section 1,

(ii) such time or such Event of Default or event shall cease to be continuing, or

(iii) 180 days after the Vendor's receipt of such Payment, unless prior to expiration of such 180-day period the Vendor either (A) shall have commenced using reasonable efforts (which under no circumstances shall be deemed to require termination of the Lease) to enforce the Lessee's compliance with its underlying obligation giving rise to such Event of Default or event or (B) shall have authorized the Vendee to seek compliance by the Lessee with such obligation (which authorization shall in no circumstances include the right to terminate the Lease),

at which time such Payments (if not previously applied pursuant to clause (i) above) shall be paid to the Vendee pursuant to subparagraph (d) of the second paragraph of this Section 1.

All Payments received by the Vendor (and not applied pursuant to the second paragraph of this Section 1) which, but for the existence of an event of default under the RCSA (or an event which with notice or lapse of time, or both, could constitute such an event of default) would be distributable, shall be held by the Vendor as part of collateral security for the Vendee's obligations under the RCSA, the Owner's and the Vendee's obligations under the Participation Agreement and the Lessee's obligations and performance under the Lease (as described in subparagraph (c) of the second paragraph of this Section 1) until such event of default or event shall cease to be continuing, at which time such Payments (if not previously applied pursuant to subparagraph (a), (b) or (c) of this Section 1), shall be paid to the Vendee pursuant to subparagraph (d) of the second paragraph of this Section 1.

Notwithstanding anything to the contrary contained herein, Excluded Payments are not part of the collateral security for the Vendor or the Investors and any Excluded Payment received by the Vendor or any Investor shall be immediately paid to the Vendee or the Owner, as the case may be.

If the Vendor shall not receive any payment under Sections 2, 5, 6, 8 or 12 of the Lease when due, the Vendor

shall, on the date due, notify the Vendee, the Owner and the Lessee, by telephone, confirmed in writing, at the respective addresses set forth in the Lease; provided, however, that the failure of the Vendor so to notify the Vendee, the Owner and the Lessee shall not affect the obligations of the Vendee hereunder or under the RCSA or the Lessee under the Lease or the Consent and Agreement attached hereto; provided further, however, that the Vendor shall not issue a Declaration of Default (as defined in the RCSA) or terminate the Lease under Article 11(a) or the last proviso to Article 11(f) of the RCSA until 10 days after such notice.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Vendee under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Vendee to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Vendee or persons other than the Vendor.

3. To protect the security afforded by this Assignment the Vendee agrees subject to Paragraphs 10 and 11 hereof, that, without the written consent of the Vendor, the Vendee will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Vendee agrees that any amendment, modification or termination thereof without such consent shall be void.

4. Subject to Paragraphs 10 and 11 hereof, the Vendee does hereby constitute the Vendor the Vendee's true and lawful attorney, irrevocably, with full power (in the name of the Vendee, or otherwise), to ask, require, demand, and receive, any and all Payments due and to become due under or arising out of the Lease to which the Vendee is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Vendor may deem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Vendee's obligations under the RCSA and the Participation Agreement (without giving effect to any limitations on liability contained therein) and the Lessee's obligations to the Vendor and the Investor under any provisions of the Lease, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Vendee.

6. The Vendee will, from time to time, do and perform any other act and will execute, acknowledge, deliver and file (and will refile) any and all further instruments required by law and reasonably requested by the Vendor in order to confirm or further assure, the interests of the Vendor hereunder.

7. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Vendor hereunder; provided, however, the Vendee and the Lessee shall not be bound to honor such assignment until they have received written notice thereof. Payment to the assignee of any Payments shall constitute full compliance with the terms of this Agreement and the Lease. The Vendee and the Lessee may rely on instruments and documents of assignment which they believe in good faith to be true and authentic.

8. The terms of this Assignment and all rights and obligations hereunder shall be governed by and construed in accordance with the laws of the State of Utah, but the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303.

9. The Vendee shall cause copies of all notices received by it in connection with the Lease and all payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the RCSA, or at such other address as the Vendor shall designate.

10. The Vendor hereby agrees with the Vendee that the Vendor will not, so long as neither an event of default under the RCSA nor an Event of Default under the Lease has occurred and is continuing, exercise or enforce, or seek to

exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Vendee to the Vendor by this Assignment without the prior written consent of the Vendee except the right to receive and apply the Payments as provided in Paragraph 1 hereof and to enforce any right, power, agreement or indemnity under the Lease, and that, subject to the terms of the Lease and the RCSA, the Vendee may, so long as neither an event of default under the RCSA nor an Event of Default under the Lease has occurred and is continuing, exercise or enforce, or seek to exercise or enforce or avail itself enforce or avail itself of, such rights, powers, privileges, authorizations or benefits; provided, however, that the Vendee shall not, and shall not have any authority to, take any action which would terminate the Lease without the prior written consent of the Vendor.

11. Notwithstanding anything herein to the contrary, (a) unless and until an event of default under the RCSA shall have occurred and is continuing, the Vendee shall have the right, without the concurrence of the Vendor, to adjust the rentals and Casualty Value percentages pursuant to Section 2 of the Lease and to exercise the rights of the Lessor under Sections 12 and 13 of the Lease; (b) at all times the Vendee may (without the concurrence of the Vendor) receive all notices, certificates, opinions of counsel and other documents and information to be furnished to the Lessor or the Vendee under the Lease; (c) at all times the Vendee shall have the right to proceed by appropriate court action or actions either at law or in equity to enforce performance by the Lessee of its obligations with respect to Excluded Payments or to recover damages for the breach thereof as provided in Section 9(a) of the Lease but may not declare an Event of Default under or terminate the Lease; and (d) at all times the Vendee may exercise the rights of the Vendee under the last paragraph of Section 6 of the Lease. The Vendor may not at any time, without the consent of the Owner, amend, modify or supplement, or give or accept any waiver or consent with respect to, the Lease so as to increase the liabilities or diminish the immunities of the Owner or reduce the amount or extend the time or payment of any Excluded Payment then due and payable or change any of the circumstances under which such Excluded Payments are payable.

Notwithstanding any other provision of this Assignment, it is expressly agreed by the parties hereto that each and all of the warranties, representations, undertakings and agreements herein made on the part of the Vendee are made and intended not as personal representa-

tions, warranties, undertakings and agreements by First Security State Bank or for the purpose or with the intention of binding said bank or the Owner personally but are made and intended for the purpose of binding only the Trust Estate (as such term is used in the Trust Agreement), and this Assignment is executed and delivered by said bank solely in the exercise of the powers expressly conferred upon said bank as trustee under the Trust Agreement, and no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank (except for wilful misconduct or gross negligence on the part of said bank) or the Owner hereunder on account of any representation, warranty, undertaking or agreement of said bank hereunder, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under it making claim hereunder may look to said Trust Estate for satisfaction of the same.

12. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. It is not necessary that the parties hereto all sign the same counterpart as long as each party shall sign a counterpart and such counterpart is delivered to the Vendor or its counsel, whereupon this Agreement shall become effective.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective corporate seals to be affixed and duly attested, all as of the date first above written.

HULK PURCHASE AGREEMENT

Dated as of March 25, 1981

and

SEABOARD COAST LINE RAILROAD COMPANY

HULK PURCHASE AGREEMENT

Seaboard Coast Line Railroad Company

As of March 25, 1981

First Security State Bank,

79 South Main Street
Salt Lake City, Utah 84111

Attention of Corporation Trust Department

Gentlemen:

Seaboard Coast Line Railroad Company, a corporation organized under the laws of the Commonwealth of Virginia (the "Seller"), owns the railroad equipment described in Exhibit A hereto (the "Hulks"). The Seller desires to sell the Hulks and First Security State Bank, a Utah banking corporation, not in its individual capacity but solely as trustee (the "Buyer") under a Trust Agreement dated as of the date hereof (the "Trust Agreement") with Litton Industries Credit Corp. (the "Owner") desires to purchase the Hulks for the Purchase Price set forth in Exhibit A (the "Purchase Price").

The Seller will, from time to time, prior to delivery of such Hulks to Seaboard Coast Line Railroad Company, in its capacity as builder (the "Builder"), for reconstruction, as provided in the Reconstruction and Conditional Sale Agreement (the "RCSA") dated as of the date hereof among the Buyer, First Security Bank of Utah, N.A., not in its individual capacity but solely as Agent (the "Agent") under a Participation Agreement (the "Participation Agreement") dated as of the date hereof, and the Builder, deliver to the Buyer a bill or bills of sale (a "Bill of Sale") transferring title to a group or groups of Hulks and warranting that at the date of such Bill of Sale the Seller had legal title to such Hulks and good and lawful right to sell the same and that title to such Hulks transferred to the Buyer by such Bill of Sale was free of all claims, liens, security interests, security title and other encumbrances of any nature whatsoever. On or after the date of such Bill of Sale, the Seller will deliver the

Hulks in such group or groups to an authorized representative of the Buyer at such point or points within the United States of America as shall be specified by the Seller. The Buyer hereby appoints the Seller (and any employee thereof designated by the Seller) as its agent for acceptance of the Hulks; provided, however, that the Seller is not authorized to accept delivery of any Hulk (i) that is not economically fit for reconstruction in accordance with the specifications provided in the RCSA; (ii) after written notice from the Buyer that such authority has been terminated; (iii) if the Purchase Price of such Hulk when added to the sum of the estimated Reconstruction Cost (as defined in the RCSA) thereof and the aggregate Purchase Price and Reconstruction Cost of those Hulks previously accepted would exceed the Maximum Purchase Price specified in Article 3 of the RCSA or (iv) after July 31, 1981. The sale and delivery of the Hulks pursuant to this Agreement shall commence as soon as practicable and shall be completed on or before such date as shall permit the completion of reconstruction of each Hulk by July 31, 1981.

If and to the extent that any Hulk is not reconstructed and accepted pursuant to the RCSA on or before January 31, 1982 (a "Noncompleted Hulk"), all rights and interests of the Seller in and to such Hulk, including the reconstructed portions thereof, if any, shall immediately, without further action, be released and transferred to the Buyer, and the Seller shall promptly deliver such Noncompleted Hulk to the Buyer, at such place as shall be specified by the Buyer, free and clear of all liens, claims and encumbrances of the Seller or any other person, and thereafter the Buyer, the Owner or any agent shall either (a) sell such Noncompleted Hulk in a commercially reasonable manner or (b) retain such Noncompleted Hulk for its own use or for further reconstruction, lease, future sale or other disposition. If such Noncompleted Hulk shall be sold pursuant to clause (a) above, the net proceeds of such sale shall be applied first, to the payment of all costs and expenses, including legal fees, of the Buyer, the Owner and their agents incurred in connection with such repossession and sale, second, to reimburse the Buyer for the Purchase Price of such Noncompleted Hulk, third, to reimburse the Seller for its reasonable reconstruction expenses incurred in connection with such Noncompleted Hulk (excluding any profit or overhead) and fourth, the balance, if any, to the Buyer. If such Noncompleted Hulk shall be retained pursuant to clause (b) above, the Buyer shall determine the fair market value of such

Noncompleted Hulk (determined on an "as is, where is" basis), deduct from such Value the amount of the Purchase Price of such Noncompleted Hulk and all costs and expenses of the Buyer, the Owner and their agents in connection with such repossession and determination and, to the extent that any amount of such Value remains, pay to the Seller the amount set forth in clause third above.

Notwithstanding anything to the contrary contained herein, the Buyer shall have no obligation to accept any Hulk which is delivered hereunder after (i) any event of default as defined in Article 14 of the RCSA or any event (including the commencement of any proceeding or the filing of any petition of the nature specified in subparagraphs (c) and (d) of Article 14 thereof) which, with lapse of time, failure to take affirmative action and/or demand, could constitute an event of default thereunder shall have occurred, (ii) the Buyer shall have delivered written notice to the Seller that any of the conditions contained in Paragraph 7 of the Participation Agreement have not been met or waived, or (iii) there shall have been a material adverse change in the financial condition, business or operations of the Lessee from that which existed on December 31, 1980.

The Buyer at the times hereafter specified will pay to the Seller the Purchase Price of each Hulk in each group subject to all the terms and conditions of this Agreement, including without limitation the receipt by the Buyer, on or prior to the date of delivery of such Hulk hereunder of (a) the Bill of Sale with respect thereto specified in the second and sixth paragraphs hereof, (b) a certificate or certificates of acceptance (a "Certificate of Acceptance") signed by the Buyer's authorized representative stating that the Hulks in such group have been delivered to and accepted on behalf of the Buyer, (c) an invoice or invoices with respect to such Hulks and (d) a written opinion of counsel for the Seller dated the date of such Bill of Sale, addressed to the Buyer, and stating that such Bill of Sale is valid and effective to transfer the Seller's title to such Hulks to the Buyer and that on such date title to such Hulks was free of all claims, liens, security interests and other encumbrances and that no filings, recordings, registration or other action is necessary to establish, perfect and protect such title of the Buyer.

Each such Bill of Sale shall contain the following information with respect to each type of Hulk included in the group of Hulks covered thereby: quantity, description, the Seller's identifying numbers and place of delivery. Subject only to the conditions set forth in this Agreement and in Paragraph 7 of the Participation Agreement, the Buyer will pay the Purchase Price of each Hulk delivered and accepted as aforesaid to the Seller either on (i) the Closing Date relating to such Hulk fixed as provided in the RCSA or (ii) January 31, 1982, whichever is earlier.

The Buyer may assign and/or transfer any or all of its rights under this Agreement and/or any or all of its rights to possession of any of the Hulks. Any such assignment or transfer may be made by the Buyer without the assignee or transferee assuming any of the obligations of the Buyer hereunder. The Buyer and the Seller acknowledge that such assignment or transfer is contemplated. All of the rights of the Buyer hereunder shall inure to the benefit of the Buyer's assigns.

Notwithstanding the delivery of any Bill of Sale hereunder, the Seller agrees that all responsibility with respect to any Hulk covered by such Bill of Sale, its use and operation and risk of loss thereof, shall remain with the Seller until such Hulk is delivered to and accepted by the authorized representative of the Buyer, as provided above, and the Seller agrees to indemnify and hold the Buyer harmless from any claim made against the Buyer solely by reason of the transfer of title to the Hulks or with respect to the validity of such title, free from all claims, liens, security interests, security title or encumbrances of any nature other than those of the Buyer at the time of such delivery and acceptance. Upon such delivery and acceptance, all responsibility and risk of loss with respect to such Hulk shall pass to the Buyer. As of the date of such delivery and acceptance, the Buyer shall be unconditionally obligated to purchase such Hulk, without any right to a reduction in or setoff against the price thereof by reason of any past, present or future claims against the Seller under this agreement, the RCSA, the Participation Agreement, the Lease (as defined in the Participation Agreement) or otherwise.

In the event that any Hulk is not so delivered to the Buyer after the date of any Bill of Sale with

respect thereto the Buyer will assign to the Seller, without warranty of any kind, whatever right, title and interest the Buyer may then have in such Hulk and such Hulk shall thereafter be excluded from the provisions of this Agreement.

The Seller hereby represents and warrants to the Buyer, its successors and assigns, that this Agreement was duly authorized by it and lawfully executed and delivered for a valid consideration.

Notwithstanding anything herein to the contrary, the representations, warranties, undertakings and agreements herein made on the part of the Buyer are made and intended not as personal representations, warranties, undertakings and agreements by First Security State Bank or for the purpose or with the intention of binding said bank personally but are made and intended for the purpose of binding only the Trust Estate (as such term is used in the Trust Agreement), and this Agreement is executed and delivered by said bank not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank (except in the case of wilful misconduct or gross negligence by said bank hereunder) on account of this Agreement or the Trust Agreement or on account of any representation, warranty, undertaking or agreement of said bank hereunder, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Seller and by all persons claiming by, through or under the Seller.

The terms of this Agreement and all rights and obligations hereunder shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. § 11303.

This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same contract, which shall be sufficiently evidenced by any such original counterpart. It shall not be necessary that the parties hereto all sign

the same counterpart as long as each party shall sign a counterpart and such counterpart is delivered to the Agent or its counsel, whereupon this Agreement shall become effective.

Very truly yours,

TAX INDEMNITY AGREEMENT
SEABOARD COAST LINE RAILROAD COMPANY
(Reconstructed Locomotives)

TAX INDEMNITY AGREEMENT dated as of March 25, 1981
between
SEABOARD COAST LINE RAILROAD COMPANY (the "Lessee"
or the "Builder")
and LITTON INDUSTRIES CREDIT CORP. (the "Trustor");

RECITALS

A. The Trustor is a party to a trust (the "Trust") under a Trust Agreement dated as of the date hereof (the "Trust Agreement"), between the Trustor and First Security State Bank, as trustee (the "Trustee"), providing for the authorization and direction of the Trustee, solely on behalf of the Trust, to enter into various Trust Documents identified therein, including a Hulk Purchase Agreement dated as of the date hereof (the "Hulk Purchase Agreement") providing for the acquisition of units of used railroad equipment (the "Hulks") from the Lessee, and a Reconstruction and Conditional Sale Agreement dated as of the date hereof (the "Reconstruction Agreement") providing for (i) the reconstruction of the Hulks (the reconstructed Hulks being hereinafter called individually a "Unit" and collectively the "Units") for the Trustee by the Builder, and (ii) the purchase by the Trustee of security title to the Units from First Security Bank of Utah, N.A. (the

"Vendor"), and for the Lease of the Units by the Trustee, as Lessor, to the Lessee, as Lessee, pursuant to a Lease of Railroad Equipment (the "Lease") dated as of the date hereof, between the Trustee and the Lessee.

B. The Trustor has agreed in the Trust Agreement to advance certain funds to the Trustee to permit the Trustee to pay a portion of the Purchase Price (as defined in the Reconstruction Agreement described below) of the Units.

C. The Trustee will acquire, and pay to the Vendor for the account of the Builder, the balance of the Purchase Price of the Units from an investor (the "Original Investor") named in Schedule A to the Participation Agreement, dated as of the date hereof (the "Participation Agreement") among the Vendor, the Lessee, the Trustor, the Trustee and the Original Investor, pursuant to the terms and provisions of the Participation Agreement.

D. It is intended that all payments hereunder shall be made directly to Trustor in the manner hereinbelow provided and shall not be included as a part of the Trust Estate under the Trust Agreement.

SECTION 1. Intended Tax Benefits

In entering into the Trust Agreement and the transaction contemplated thereby (the "Transaction") it is the

intention of the Trustor to claim the tax benefits described in Sections 1.(d), (e), (f) and (h) below (the "Tax Benefits"), based on the tax conclusions stated in Sections 1.(a), (b), (c) and (g) below (the "Tax Conclusions"), for the purpose of determining its liability for Federal income tax and for the taxes imposed by the state and local jurisdictions in which the Trustor has its principal office:

(a) the Lease constitutes a true lease;

(b) the Trust is the lessor and the Lessee is the lessee under the Lease;

(c) the Trust will be a "Grantor Trust" pursuant to Subpart E, Part 1, of Subchapter J of the Internal Revenue Code of 1954, as amended (the "Code"), and the Trustor shall be treated as the owner of the entire Trust and shall take into account on its Federal income tax returns all items of income, gain, loss, deduction or credit to which the Trustor would have been entitled with respect to the Transaction had the Trust not been in existence.

(d) the Trust is entitled to deduct the interest (the "Interest Deduction") payable by the Trustee on the CSA Indebtedness (as defined in the Reconstruction Agreement) in computing its taxable income;

(e) the Reconstruction Cost (as defined in the

Reconstruction Agreement) qualifies for the full 10% investment tax credit allowed under Section 38 and related Sections of the Code (the "Investment Credit"), such Investment Credit to be available to the Trust for its taxable year ended July 31, 1981;

(f) in computing its taxable net income, the Trust is entitled to depreciate the Units (i) over an "asset depreciation range" of twelve years for an asset described in Asset Guideline Class No. 00.25 as described in Rev. Proc. 77-10; (ii) with respect to the Reconstruction Cost, employing initially the 200% declining balance method of depreciation with a change, not requiring the consent of the Commissioner of Internal Revenue, to the sum-of-the-years-digits method of depreciation when most beneficial to the Trust, in accordance with Section 167 of the Code; (iii) with respect to the Hulk Purchase Price (as defined in the Reconstruction Agreement), employing the 150% declining balance method, with a change, not requiring the consent of the Commissioner of Internal Revenue, to the straight line method; (iv) adopting the half-year convention described in Regulation Section 1.167(a)-11(c); and (v) taking into account an estimated salvage value of 10% of the Purchase Price of the Units which will be

reduced by 10% of the Purchase Price of such Units as provided in Section 167(f) of the Code (such depreciation being referred to hereinafter as the "Depreciation Deduction");

(g) all amounts includible in gross income by the Trust with respect to the Lease will be treated as income derived from or allocable to sources within the United States; and

(h) the fees and expenses borne by the Trustor and described in Section 11B of the Participation Agreement will be amortizable or depreciable at a rate no less rapid than straight line over the original term of the Lease.

Notwithstanding the foregoing, the parties agree that, except to the extent expressly provided in Section 2 hereof, the Lessee neither represents nor warrants that the Tax Benefits will be available to the Trustor.

SECTION 2. Income Tax Indemnification

The Lessee agrees that neither it nor any corporation controlled by it, in control of it or under common control with it, directly or indirectly, will at any time during the term of the Lease or any extended term thereof file any returns, certificates or other documents or take any other action or fail to take any action inconsistent

with the the Tax Conclusions or with the Trustor's claiming the Tax Benefits (except that the Lessee may take such action as may be deemed by the Lessee to be necessary in consequence of, and file returns in connection with, the de minimus use of the Units outside the United States), and that each of such corporations will file such returns, take such action and execute such documents, and keep and make available for inspection and copying by the Trustor such records (other than the Lessee's corporate income tax returns), as may be reasonable and necessary to facilitate accomplishment of the intent hereof.

The Lessee hereby represents and warrants that (i) no portion of the Units attributable to the Reconstruction Cost constitutes property, the construction, reconstruction or erection of which was begun before April 1, 1971; (ii) at the time of delivery of each reconstructed Unit to the Trust and at all times thereafter during the term of the Lease, (A) the portion of such Unit attributable to the Reconstruction Cost will qualify as "new Section 38 property" within the meaning of Section 48(b) of the Code and will qualify for the method of depreciation, pursuant to Section 167 of the Code, that results in the most rapid recovery of such Reconstruction Cost and (B) the portion of such Unit attributable to the Hulk Purchase Price will qualify as "used

Section 38 property" within the meaning of Section 48(c) of the Code and will qualify for the method(s) of depreciation described in subsection (iii) of Section 1(f); (iii) at the time of delivery of each reconstructed Unit to the Trust, the portion of such Unit attributable to the Reconstruction Cost will not have been used by any person so as to preclude "the original use of such property" within the meaning of Sections 48(b) and 167(c)(2) of the Code from commencing with the Trustee; (iv) at the time of delivery of each reconstructed Unit to the Trust, no investment credit, depreciation or other tax benefits will have been claimed by any person with respect to the portion of such Unit attributable to the Reconstruction Cost; (v) at all times during the term of the Lease, the Units will constitute "Section 38 property" within the meaning of Section 48(a) of the Code as in effect on the date hereof; and (vi) the Lessee will not claim that it is the owner of the Units at any time prior to the exercise by the Lessee of any option granted to the Lessee under the Lease to purchase the Units.

If the Trustor shall lose, or shall not have, or shall lose the right to claim or shall suffer a disallowance of or shall be required to recapture all or any portion of the Tax Benefits with respect to all or part of

any Unit, or if the Trustor's after-tax return on and rate of recovery of investment and annual net cash flows shall be reduced due to (a) the sale or other disposition of such Unit or the interest of the Trustor therein after the occurrence of an Event of Default under the Lease, (b) an amendment, modification, repeal or other change, adopted on or prior to August 1, 1981, of or to a tax law, (c) an amendment, modification, repeal or other change of or to a tax law, which is adopted subsequent to August 1, 1981, if the effective date thereof shall be on or prior to August 1, 1981, (d) the incorrectness of any representation or warranty made by the Lessee (including, without limitation, those made in the preceding paragraph of this Section 2, other than one which results from a change in a tax law which becomes effective after August 1, 1981), or the breach by the Lessee of any of its agreements set forth in the first paragraph of this Section 2, (e) the incompleteness or inaccuracy of any information which was furnished by the Lessee or any affiliated company to the independent appraiser in connection with its preparation of the opinion, delivered to the Trustor as required by Section 7 of the Participation Agreement, including, without limitation, any misstatement or omission of information which is material and relevant to the preparation of such opinion, or (f) any other act, failure to act or

misrepresentation by the Lessee, then in any such case the Lessee shall pay to the Trustor on each of the dates provided in the Lease for payment of the installments of rental thereunder commencing with the first such date following the date on which the liability of the Lessee hereunder shall become fixed as hereinafter provided, such sums which (after deduction of all taxes required to be paid by the Trustor on the receipt of such sums under the laws of the United States, any political subdivision thereof or any foreign government or governmental subdivision thereof), when taken together with the portion of the rental installments due on such dates under the Lease which are to be distributed to the Trustor, will, in the reasonable opinion of the Trustor, maintain the Trustor's after-tax return on and rate of recovery of investment and the annual net cash flows (computed on the same assumptions as utilized by the Trustor in originally evaluating this transaction) in respect of such Unit hereunder and under the Lease at a level that is not less than the level that would have been available if the Trustor had been entitled to utilization of all of such Tax Benefits. In the event that the Lease is terminated as to any Unit prior to the time the Lessee is obligated to make payments to the Trustor with respect to such Unit as set forth in the preceding sentence (either because no such payment obli-

gation had become fixed under such sentence prior to such termination or because the due date of such payment or payments shall occur following such termination), then the Lessee shall pay to the Trustor, in lieu of such payment or payments, on or before 30 days after the liability of the Lessee in respect of such Unit shall become fixed as herein- after provided, such lump sum which (after deduction of all taxes required to be paid by the Trust or on the receipt of such lump sum under the laws of the United States, any political subdivision thereof or any foreign government or governmental subdivision thereof) shall be necessary in the reasonable opinion of the Trustor to maintain the Trustor's after-tax return on and rate of recovery of investment and the annual net cash flows (computed on the same assumptions as utilized by the Trustor in originally evaluating this transaction) in respect to such Unit hereunder and under the Lease at a level that is not less than the level that would have been available if the Trustor had been entitled to utilization of all such Tax Benefits.

If any income or deduction with respect to the Units shall not be treated as derived from, or allocated to, sources within the United States for a given year, and the Trustor's foreign tax credits are reduced for such year as a result of the Lessee's use of the Units outside the

United States, then the Lessee shall pay to the Trustor, within 30 days after receipt of notice from the Trustor of that event, a sum which (after deduction of all taxes required to be paid by the Trustor on the receipt of such sum under the laws of the United States, any political subdivision thereof or any foreign government or governmental subdivision thereof) will, in the reasonable opinion of the Trustor, maintain the Trustor's after-tax return on and rate of recovery of investment and the annual net cash flows (computed on the same assumptions as utilized by the Trustor in originally evaluating this transaction) in respect of such Units hereunder and under the Lease at a level that is not less than the level that would have been available if the Trustor's foreign tax credits had not been reduced.

If, due to the act, failure to act or the misrepresentation of the Lessee, or due to the fluctuation in the interest rate of the CSA Indebtedness, or due to the purchase, from the Original Investor, of the CSA Indebtedness, the Trustor is required to include in its gross income any part of the Fixed Rental Amount or Variable Rental Amount, as such terms are defined in the Lease, in any taxable year or portion thereof prior to the taxable year in which such Fixed Rental Amount or Variable Rental Amount would otherwise be accruable in accordance with the Trustor's method of account-

ing, then the Lessee shall pay to the Trustor, within 30 days after receipt of notice from the Trustor of that event, such lump sum which (after deduction of all taxes required to be paid by the Trustor on the receipt of such lump sum under the laws of the United States, any political subdivision thereof or any foreign government or governmental subdivision thereof) shall be necessary in the reasonable opinion of the Trustor to maintain the Trustor's after-tax return on and rate of recovery of investment and the annual net cash flows (computed on the same assumptions as utilized by the Trustor in originally evaluating this transaction) at a level that is not less than the level that would have been available if such event had not occurred.

The Lessee acknowledges that the Casualty Value Percentages Schedule attached as Schedule B to the Lease has been computed on the assumption that the Trustor shall be entitled to the Tax Benefits. Accordingly, in the event the Lessee becomes obligated under the provisions of this Agreement to pay additional sums to the Trustor, the said Casualty Value Percentages Schedule shall be revised as may be necessary in the reasonable opinion of the Trustor so that the amount payable by the Lessee in connection with any Casualty Occurrence (as defined in the Lease) shall be sufficient to maintain the Trustor's after-tax return on

and rate of recovery of investment and the annual net cash flows (computed on the same assumptions as utilized by the Trustor in originally evaluating this transaction) at the same level that would have been available to the Trustor upon payment of Casualty Value had the Tax Benefits been allowed in full. The revised Casualty Value Percentages Schedule shall be applied to any payment of Casualty Value paid after the liability of the Lessee hereunder shall become fixed as hereinafter provided regardless of the date of the Casualty Occurrence. Furthermore, with respect to any previous payment of Casualty Value under the Lease by the Lessee after a Casualty Occurrence but prior to the aforementioned revision of the Casualty Value with respect to such Unit, the Lessee shall pay to the Trustor, in a lump sum, the additional amount in excess of the Casualty Value actually paid, that Lessee would have been required to pay had the liability of the Lessee hereunder become fixed prior to the date of the original payment, and the Casualty Value Percentages Schedule had, accordingly, been revised as above provided.

Any amounts payable by the Lessee to the Trustor pursuant to the preceding four paragraphs shall be determined by the Trustor, which determination shall be made in accordance with the assumptions used by the Trustor in originally

evaluating the transaction.

Anything in the foregoing paragraphs of this Section 2 to the contrary notwithstanding, the Lessee shall not be required to make any payment to the Trustor provided for herein if the Trustor shall have lost the right to claim, or shall have suffered a disallowance of, or shall have been required to recapture all or a portion of any Tax Benefit with respect to all or part of such Unit solely as a direct result of the occurrence of any of the following events (hereinafter called Excluded Events):

(i) a Casualty Occurrence with respect to such Unit, if the Lessee shall have paid to the Trust the amounts stipulated under Section 6 of the Lease, as the same may be revised pursuant to the preceding paragraph;

(ii) a voluntary transfer or other voluntary disposition by either the Trust or the Trustor of any interest in such Unit or the voluntary reduction by the Trust or the Trustor of its interest in the rentals from such Unit under the Lease (except pursuant to any assignment thereof to the Vendor as security) or any transfer or disposition by the Trust or the Trustor resulting from bankruptcy or other proceedings for the relief of debtors in which the Trust or the Trustor is

the debtor (whether voluntary or involuntary) of any interest in such Unit or in the rentals therefor under the Lease unless, in each case, an Event of Default under the Lease shall have occurred and be continuing;

(iii) the failure of the Trustor to claim its portion of the Investment Credit, the Interest Deduction or the Depreciation Deduction, as applicable, in its Federal income tax return for the appropriate year, or the failure of the Trustor to follow proper procedure in claiming the Tax Benefits; or

(iv) the failure of the Trustor to have sufficient liability for tax against which to credit such Investment Credit or sufficient income to benefit from the Depreciation Deduction or the Interest Deduction, as applicable.

In the event that the Internal Revenue Service asserts that the Trustor is not entitled to all or any portion of the Tax Benefits with respect to all or part of any Unit, the Trustor shall promptly notify the Lessee in writing of such assertion and shall not make any payment to the Internal Revenue Service with respect to such asserted loss of Tax Benefits for at least thirty (30) days after giving such notice, unless such period shall be beyond the term (including any extension of time available to Trustor)

within which payment must be made without jeopardy of the Trustor's appeal or other rights. In addition, the Trustor shall give to the Lessee any information relating to such assertion which the Trustor reasonably believes to be relevant and may be particularly within the knowledge of the Trustor.

The Trustor agrees that if an Opinion of Counsel (defined below) is received by the Trustor, within 30 days after the Trustor's giving notice as required by the preceding paragraph, pertaining to all or a portion of the Tax Benefits in respect of which the Lessee would otherwise be required to make payments to the Trustor pursuant hereto, the Trustor shall, upon request and at the expense of the Lessee, contest such matter in such forum as the Trustor, in its sole judgment, shall select; provided, however, that the Trustor shall not be obligated to take any such legal or otherwise appropriate action unless the Lessee shall first have indemnified the Trustor, in such form and with such security as may be reasonably acceptable to Trustor, for all liabilities and expenses which may be entailed therein; and provided further that the Trustor shall not be required to take any such legal or otherwise appropriate action if (i) the claim to which such action relates would result in an indemnity of less than \$50,000 to the Trustor in

any one taxable year or (ii) the proposed adjustment by the Internal Revenue Service relates solely to the taxable year in which any credit or deduction is properly allowable if it is recognized that the credit or deduction is allowable for a prior taxable year that is still open and that the appropriate tax returns will be amended to claim such credit or deduction and that the total interest, penalties and additions to tax with respect to such adjustment payable by the Trustor for which the Lessee is required to indemnify hereunder do not exceed \$50,000. An Opinion of Counsel and an indemnity shall also be furnished to the Trustor prior to each stage of any appeal on such matter within 30 days after notice to the Lessee by the Trustor of an adverse result of the preceding stage, provided that such notice shall include a request by the Trustor for an Opinion of Counsel, and provided further that no more than three (3) Opinions of Counsel shall be requested. For purposes hereof, an Opinion of Counsel shall mean an opinion of independent tax counsel for the Trustor or the Lessee who is acceptable to the Trustor, referring to the matter described in the foregoing sentences, and stating such counsel's opinion that a bona fide claim exists with respect to such matter and that there is a reasonable basis for contesting the same. The Trustor may, at

its option, take such action prior to making payment of any tax and interest and/or penalty attributable to the disallowance or recapture with respect to the Trustor of all or any portion of the Tax Benefits with respect to any Unit (a "Tax Payment") or may make such Tax Payment and then sue for a refund. If the Trustor takes such action prior to making such Tax Payment, such sums payable hereunder need not be paid by the Lessee while such action is pending. In such case, if the Final Determination (as defined in the next succeeding paragraph of this Section 2) shall be adverse to the Trustor, the sums payable hereunder shall be computed by the Trustor as of the date of such Final Determination and the Lessee shall commence payment thereof on the rental payment date under the Lease next succeeding such Final Determination (or such payment shall be made in full within 30 days after Final Determination if the Lease has been terminated) and, on or before such rental payment date (or such alternate date) the Lessee shall pay to the Trustor as an additional payment hereunder an amount which, after deduction for all taxes based upon the receipt thereof, will be equal to all interest and penalty paid by the Trustor in respect to such Final Determination, reduced by any tax benefits obtained by the Trustor by reason of making such interest payment, together with interest thereon from the

date such payment of interest and penalty is made by the Trustor to the date the Lessee reimburses the Trustor thereof at the Prime Rate (i.e., the prime rate in effect at Chase Manhattan Bank, N.A., of New York, from time to time during the period for which interest is payable) plus 2% per annum. If the Trustor makes such Tax Payment prior to contesting the matter, the sums payable hereunder shall commence to be payable by the Lessee on the first rental payment date under the Lease after such Tax Payment is made (or such payment shall be made in full within 30 days after the making of such Tax Payment if the Lease has been terminated) and, on or before such rental payment date (or such alternate date), the Lessee shall pay to the Trustor, within 30 days after the Trustor's giving notice as required by the preceding paragraph, as an additional payment hereunder an amount which, after deduction for all taxes based upon the receipt thereof, reduced by any tax benefits obtained by the Trustor by reason of making such interest payment, will be equal to all interest and penalty paid by the Trustor included in such Tax Payment. If the Trustor sues for a refund after making such Tax Payment and if the Final Determination shall be in favor of the Trustor, no future payments shall be due hereunder in respect of such matter (or an appropriate reduction in such payments shall be made if the Final Determination is

partly in favor of and partly adverse to the Trustor). In addition, the Lessee and the Trustor shall adjust their accounts so that (i) the Trustor pays to the Lessee within 30 days after the Trustor's receipt of the tax refund (x) an amount equal to the sums theretofore paid by the Lessee to the Trustor (or a proportionate part thereof if the Final Determination is partly in favor of and partly adverse to the Trustor) together with interest thereon at the Government Rate (i.e., the rate of interest payable by the U.S. Government on income tax refunds at the time a tax refund is received by the Trustor) for the period from the date such sums were paid to the Trustor by the Lessee to the date the Trustor pays to the Lessee an amount equal to such sums, and (y) the amount of any interest paid to the Trustor by the government on such refund, promptly upon receipt thereof, together with interest on the amount thereof at the Prime Rate plus 2% per annum for the period from the date such sums were paid to the Trustor by the government to the date the Trustor pays to the Lessee an amount equal to such sums, and (ii) the Lessee pays to the Trustor within 30 days after the Trustor's receipt of the tax refund an amount equal to interest at the Prime Rate plus 2% per annum on the amount of the tax refund made in respect of the Tax Payment for the period from the date of the original payment of the Tax

Payment by the Trustor to the date such tax refund is received by the Trustor.

"Final Determination", for the purposes of this Section 2, means a final decision of the Internal Revenue Service (in the event that no contest of such decision by the Internal Revenue Service is required pursuant to the preceding paragraph) or a court of competent jurisdiction after all appeals, including those which have been requested by the Lessee pursuant to the preceding paragraph, have been exhausted by either party to the action. Unless the required Opinion of Counsel has not been furnished to the Trustor in a timely manner as contemplated by the preceding paragraph, neither concession by the Trustor of any of the aforementioned Tax Benefits in the overall settlement of a controversy with the Internal Revenue Service (either at the administrative level or at the court level), nor the failure to recover a refund in whole or in part with respect to the disallowance of such Tax Benefits, which in either case is the result of the setoff against the claim for refund based upon the loss of such Tax Benefits where the matters set off do not relate to such Tax Benefits, will constitute an adverse "Final Determination" causing the aforementioned additional payment to accrue to the Trustor. If the Trustor agrees to the disallowance of a claim for refund based upon

the loss of Tax Benefits because of the assertion against it of offsets involving other issues not related to the Tax Benefits, the Trustor shall advise the Lessee of this decision within thirty (30) days of its making and such decision will be treated as the receipt of a refund by the Trustor for the purposes of the above provisions.

SECTION 3. Payment Adjustment for Lessee's Capital Expenditure

In the event that the Lessee shall make any improvement, replacement and/or addition (the "Alterations") to a Unit, which Alterations are not readily removable without material damage to the Units, and the Trustor is required to include the value thereof as income to the Trustor for Federal income tax purposes, the Lessee hereby agrees that it will pay to the Trustor on each of the dates provided in the Lease for payment of the installments of rental thereunder in respect of such Unit commencing with the first such date following the date on which the Lessee is required to furnish written notice of such inclusion to the Trustor pursuant to the last paragraph of this Section 3, such sums which (after deduction of all taxes required to be paid by the Trustor with respect to the receipt thereof under the laws of the United States or any political subdivision thereof), when taken together with the rental installments

due on such dates under the Lease in respect of such Unit, will, in the reasonable opinion of the Trustor, maintain the Trustor's after-tax return on and rate of recovery of investment and the annual net cash flows (computed on the same assumptions as utilized by the Trustor in originally evaluating this transaction) in respect of such Unit hereunder and under the Lease at the same level that would have been available if the cost of such Alterations had not been treated as income to the Trustor. Any amount payable by the Lessee to the Trustor pursuant to the preceding sentence shall be determined by the Trustor, which determination shall be made in accordance with the assumptions used by the Trustor in originally evaluating the transaction.

The Lessee agrees that, within 30 days after the close of any calendar year (or in the event the Trustor gives the Lessee written notice that the Trustor's taxable year closes on a date specified therein other than December 31, within 30 days after said date) in which the Lessee has made Alterations which are required to be treated as income to the Trust or for Federal income tax purposes, the Lessee will give written notice thereof to the Trustor describing, in reasonable detail, such Alterations which are required to be included in the gross income of the Trustor for Federal income tax purposes, and specifying the cost thereof with

respect to each Unit.

SECTION 4. Consolidated Tax Return

For purposes of this Agreement, the term "Trustor" shall include any affiliated group, within the meaning of Section 1504 of the Code, of which the Trustor is a member if consolidated returns are filed for such affiliated group for Federal income tax purposes.

SECTION 5. Duration

The obligations and liabilities of the Lessee arising under this Agreement shall continue in full force and effect, notwithstanding the expiration of the Lease, until all such obligations have been met and such liabilities have been paid in full. All of the covenants, indemnities, representations, warranties and agreements of the Lessee set forth in this Agreement shall survive the expiration or early termination of the Lease.

SECTION 6. Payment

All payments provided to be made to the Trustor by the Lessee pursuant to this Agreement shall be made by wire transfer of immediately available funds as follows:

State National Bank of Connecticut
One Atlantic Street
Stamford, Connecticut
For credit to account No. 1-37976-1 of
Litton Industries Credit Corp.

SECTION 7. Governing Law

The Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia.

SECTION 8. Counterparts

This Agreement may be simultaneously executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Lessee and the Trustor have caused this instrument to be duly executed, all as of the day and year first above written.
